In the street when Bob had courted her five years ago. Her father was not rich, as wealth is regarded today, but he was a well-toda and much regarded today, but he was a well-toda and much regarded the regarded today of the street of the regarded today, but he was a well-toda not an expect of the regarded today of the regarded to the r

dechool. He was a leader, as Brand had said, and she was condident that he would force his way to the front in the business world. Not that she was amarrying him from any selfah viewpoint. She loved him, but she was marrying him from any selfah viewpoint. She loved him, but she was tings, of disappointment mingled with his pride. She was still hopful, or had been until the coming of Brand in five years Frand had become a millionaire, though it was true that he had starred from a higher piane than the said of the started from a higher piane than the said of the said of these chances and she found herself wondering now whether Bob had done the same.

treese canaces amos to touch derivative wondering now whether Bob had done with the second of the se

none.

And Jane was not selfish. She knew that besides the joy of having her and her love the five years of their wedded life had brought few thrills to Bob. Perhaps some of the glamor had begun to fade for him, too; the long

grind at his work and then the long idle evenings in the flat or the ruliless pleasures of some cheap amusement in the city. This idea of a home 
had been something new. He had 
talked about it and planned for it and 
become so suthinglastic over it that 
be determined in the control of the 
rejoiced with him. And now the spell 
of this Utopia was gone, at least for

or this Utopia was gone, at least for Mrc. Much of her husband's enthusiasm of the state of the

companions.

Rob's school on the other hand, had a poultry department that was noted below the companion of the pound of t

### CHAPTER X.

A Nocturnal Visitor.

In the bungalow now a new era dawned, There was no marked change of Jane's mode of life but there was a range difference in the spirit of it. As a save battle to the glooms. Every day in this conflict of mental legions the joys triumphed. Not alone did they crush the foce of Jane's spiritual well-particles with the second of the property of t

tune of some sort has come into the younger woman's life and the future seemed to hold promise of more. For Mrs. Collins this meant only more polgmant realization of power gone for her and gone never more to return.

One afternoon some three weeks after her first excursion into Fifth available of the seement of the seem

home tonight. It's the first time since we've been married. Oh, I know I shall be frightened to death in this place."

"Come over and stay with us," ber meighbor invited promptly.

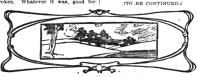

"I'd like to, but—" Jane looked to make room for me and I couldn't leave Frieds here alone."

Mrs. Collins revealed just a semblance of a sneer.

"I don't think she'd be in any great danger," whe said tartly, "but if you do.

In the bungalous new and awared, There was no marked change in Janes mode of life but there was a vast difference in the spirit of it. If the second of the but there was a vast difference in the spirit of it. If the second of life but there was a vast difference in the spirit of it. If the second of the property of the spirit of the second of the physical being and with the full power of its natural beauty. They put a light fine the eyes that had seemed, perhaps, a little tired, to the full power of its natural beauty. They put a light fine the eyes that had seemed, perhaps, a little tired, become a little was and gave quick eleasticity to a step that had grown listens.

Jane was really a beautiful woman but the was tall and willowy. Vision. She was tall and willow. She was tall and willowy. Vision. She was tall and willows. She was tall and willow. She was tall and willows. She was tall and willows w

QUEER THINGS ABOUT DEBT
Only Thing That Goes Contrary to
Nature's Laws-Every Debtor
Is a Creditor.

Debt is the one thing which goes

fore the arrival of the fire department.

Hattle Creek—Saying A. J. Brig. ham, his landford, had a remedy which would cure his aliment, O. B. Johnson, tenant on the old Kellogg farm, a mile south of Pennfield, near here, went to Brigham's home and got his revolver. Johnson then committed suicide in Brigham's home and got his revolver. Johnson then committed suicide in the presence of his wife. Some content of the presence of his wife. Charlotte—Howard Eastmon, Lansing youth, who sent Charles Hickman, prisoner in the county jail, a saw through the mails, with which milk price of the present the present of the present the present of the present the

theft of a bicycle at Sunfield.

Ann Arbor—David McLaughlin, nineteen years old, son of Prof. Andrew McLaughlin of the University of Chicago and grandson of President Emeritus James B. Angell, of the University of Michigan, died in Chicago after lying paralysed from his bips down for two months as they are the state of the University of Michigan, died in Lake Mchigan, Young McLaughlin fractured three vertebre at Chicago in Laugust while diving into water that a recent storm had made unexpectedly shallow.

Muskegon—Drifting helplessly all night, with part of her sails blown away during the severe storm on Lake Michigan, the schooner isoldae Lake Michigan, the schooner isoldae Lake Michigan, the schooner isoldae harbor and towed into port by the United States life-awing crew. When first sighted the Bock was found to be in a battered condition and unmanageable. She was loaded with cedar posts at North Bay, Wila, and was bound for St. Joseph. This is the second time the Isolda Bock has had a Michigan recently. A short time ago, while heavily laden, she ran into a gale off Milwaukee and nearly foundered. The Bock is a vessel of 70 gross tons, 76.2 feet long.

Marshall—Sheriff Fonda and his deputies arrested William Hughes in a barn on the Russell farm in Marengo township, and he was arrived the second time the breaking and entering the residence of former State Representative Perry May, former deputy state oil inspector. He is in jail waiting examination on a charge of attempting to commit murder or a statutory crims. Miss Neille Mayo, an officer of the state grange, was wask ownering on a road gang, broke open a screen door. Her father rushed down with shotgun, but found it unloaded and called to her for a revolver. She fired four times at the intruder, but missed him. Mayo broke the stock of the shotgun on Nughes' shoulder.

Marshall—Venton of Hookway, thir toon pears of warning of the result of the working on a road gang, broke open a screen door. Her father rushed down with shotgun, but the intruder, but missed

now he injured nimself. He died.

Battle Creek.—Local merchants
druggists, confectionars, cereal manu
facturers, taxicab men and sanitariun
representatives formed a convention
league, with L. J. Montgomery au
president, to land 1915 state conventions.

Charlotta—W. H. Hand was re-elected superintendent of the poor;
H. I. Bronson, of Dimordale, and E. B. Crampton, of Eaton Rapids, were elected to membership on the board of country stammlers, and J. H. Brown of Charlotte, George W. little of Grand Ledge and D. W. Knapp of Sunfield were chosen as the board of country canvassers by the Eaton supervisors.

Port Huron.—The board of supervisors of St. Clair county voted a two-mill tax for good roads work.

About \$60,000 will be raised.

"Not very. I had a strap all to myself."—Boston Evening Transcript.

Same as Being Away.
Neighbor's Little Girl—When did
you get back, Mrs. Browne? Did you
have a nice time?
Neighbor—Why, I kayen't been

Neighbor—way, 1 asvay away, my dear, "Haven't you, really? I'm sure I sheard mother say you and Mr. Browns had been at Loggerheads for a week!"—National Monthly.

The man in the thin summer the man in the thin summer shrugged his shoulders and shive and finally said to the man sorous saile:
"It approaches, don't it?"
"Yes, sir, it do," was the reply.
"Yes, sir,"
"Yes, sir,"
"It do, sir,"
"It do, sir,"
"It do, sir,"
"It do, sir,"

"It makes one shiver."
"It do, sir."
"Did you understand me when I said it approached?"
"You meant the autumn, I took it."
"Ollad to meet a man of intelligence, sir. On the contrary, I haven't the sense of a bull call. I knew what you meant because I was ass enough to pawn my overcoat in May, and won't be able to raise three dollars to get it out before next July. Yea, sir, and be hanged to it, sir!"

# FOUND OUT.

FOUND OUT.

No one is in better position to know the value of food and drink than a trained nurse.

Speaking of coffee, a nurse in Pawrites: "I used to drink strong coffee myself, and suffered greatly from headaches and indigestion.

"Walle on a visit to my brothers I had a good chance to try Postum for the contract of the contract
