MENTAL ACTIVITY AND AGE MOSLEN WAR with Length of Life Is Well Known.

A few years ago a young man "died of old age" in a New York hospital. After, an autopsy the surgeous said that while the youth was in realizable that while the youth was in realizable. The search of the year old, he was internally eithy.

It is the aged mind that frequently makes the body old. "Keep growing or die," is nature's motto, a motto written all over everything in the universe. There must be a constant activity in the mind that would not age, and he he had.

There is no doubt that, as a race, we shorten our lives very materially through our false thinking, our bad living, and our old-age convictions. Doctor Metchnicoff of the Fasteur in-Hituto in Pades says that men should in the part of the part

Hearding Coin in France.
It has been estimated that during the month of August silver coin to the amount of \$400,000,000,000 rg, 2000,000,000 tranca, went into hoard in France. The Wall Street Journal states. The der these circumstances resulted in saving notes of denominations from a half franc to two frances each. This reactional currency is made exchangeable at the Bank of France for larger high. It silver currency in the five countries of France, England, Germany, Austria-Hungary and faily fed into hoard the saving house of the countries of France, England, Germany, Austria-Hungary and faily fed into hoard the saving has been seen to be supposed in little more than a month. Assuming that as much gold and silver went into hiding, the five countries must have withdrawn from circulation and from bank deposit a grand total of \$4,000,000,000 of matallic currency.

Happens in Real Life.

"Tell me, honsetly," said the novel reader to the novel writer, "did you ever see a woman who stood and tapped the floor impatiently with her toe for several moments, as you describe?

"Yes," was the thoughtful reply. "I did once."

"Who was she?"

"A doe dancer."

On the Job.

Natural Food

Nature has filled the well-known cereals, Wheat and Barley, with the various food elements for building body es and for storing up energy in the system.

Grape-Nuts

Made from wheat and barley, has long been known ideal food for athlete, invalid, man, woman and child.

It is promptly digested by the weakest stomach and is quickly available in the blood for rebuilding waste body, brain and nerve cells—the natural supply of a natural waste.
