The survey has been completed along the Troy road by the D. U. R. surveyors and in a few days it will be completed along the Beaver road. Expenses compared then one more chance will be given the people along this line to be reasonable in their price for the land required by the D. U. R. for a double track.

A large sum of money is being raised along the Beaver road and rumor has it that the right of way will be given. Let us all pull and pull together to have the double track on the Troy road. The odds are against the Troy line several sacking the price of their farm and too the Beaver way is ismie nearer.

We Have Accounts

As small as a dollar—as large as thousands of dollars. And no matter how large an account may be, we realize that it is made up of a certain number of single dollars. This fact ought to encourage those who earn moderate incomes. It ought to induce them to do something toward accumulating a worth-while provision for the future. We maintain that a savings account at this Bank (an account in which the owner is really interested) is an investment hard to beat.

The Difference

Between a dollar saved and a dollar spent is two dollars. Have you ever thought of it in that way? The dollar saved gives you a feeling of satisfaction while the dollar spent gives a feeling of regret. Your dollar deposited in this Bank will give you the most satisfactory feeling, for besides being saved it will be earning you 4 per cent interest if left three months. We accept deposits of \$1.00 up.
