Without doubt more new people will come into Birmingham this spring and summer than any previous years ever passed. The signs show this. The new comers are the families of Mr. A. S. Gulmeren in the beautiful new brick dwelling on Harmon street and Mr. A. S. Holleyhead in the brick home just west of the bank. Both families are from Detroit and are to be gladly welcomed in any community and we certainly are glad they wish themselves in Birmingham.
Mr. C. E. Jones of Daines Street has a real grievance, and he is justified in his claims. With all due regard to Mr. Standart of Whitehead & Standart, Mr. Jones is continually being taken for Brother Standart. Mr. Jones has the Park opposite the D. U. R. Power House platted and will sell this property himself. He is a real estate manager and he doesn't want to be, and it peaves him to have people chide and scold him on the streets daily because he don't sell this property. Others praise him for what he has done for them, while the others curse him. Day before yesterday Mr. Jones really offended a pleased patron of Mr. Standart's because he positively would not accept \$200 commission on a land sale. We have other cases to report of mistakes, identify, P. O. is rather tough on Standart, who is really a much better looking man than Jones.

Dance Music

Columbia Double Disc Records

In a correct dance tempo

If you think you have danced to the best dance music that your talking machine can produce, call in and let us play for you some of the new dance records we have just received. Or we will send you a descriptive circular from which you can choose the records you desire.

New tango records—made in the Argentine, the home of the Tango. New One-Steps and Turkey-Trots—the kind of music that hits you feet first. New Heaton Waltzes—that just carry you around. And all of these records made under the supervision of Mr. G. Hepburn Wilson, the world's greatest authority on modern dancing.

IMPORTANT NOTICE
All Columbia Records may be played on Victor talking machines. Likewise, all Columbia Gramofones will play Victor records.
