Are as sure to come as the unexpected showers of April. You know how it is: if you carry your umbrella, the sun is sure to shine; but go unprepared and the perverse elements are just as sure to give you a thorough drenching.

So it is with life; the man who makes provision for the morrow, neve seems to get into difficulties, and you call him lucky. But this is not luck, for his forethought has made it impossible to be eaught unawares, and what would be a misfortune for you is but an incident to him. Begin to save up for your financial umbrella Now, and let us hely you by paying liberal interest on each dollar deposited in our own jasvings department. Stop in and talk it over.
