HORSES

I have just received a carload of extra good Farm Horses, Marea and Geldings. Weigh from 1,250 to 1,650. They are all Michigan Horses. I have taken plenty of time to select them. They are good ones, and bought right in the Dutch Settlement. I have very small expenses, and I think I can sell you Horses cheaper than any city dealer. Every Horse as represented, and the most liberal terms.
