Extracts From a Speech Delivered by A. C. Corton of the Public flomain Commission.

The following is an extract from a speech delivered by the above name quantum and whose business it is to increase the profits of our acres, secure settlers for lands and with every Editor in Michigan. He says:
Michigan He says:
Michigan's history is indeed, unique. She was explored ten years theyer the landing of the Pilgrim Fathers at Plymout. Her people have lived upder four flags and at one time she had a complete monardy within her boundary. Michigan is not merely a state - she is a empire: containing exactly 36, is an empire: containing exactly 36,

Michigan is not merely a state—size is an empire - containing exactly-36, 370, 779. 62 acres, or about 56, 829 suaper miles. This great area of land, forming the two peninsulas of Michigan, is equal to a strip of land more than two and one-third miles wide that would warm of the state of th
