Go to Church Sunday

April Nineteenth

Serivces as follows:

10 a. m. and 7 p. m. Baptist and Methodist Episcopal

10:45 a. m. St. James' Episcopal

11 a. m. and 7 p. m. Presbyterian and United Presbyterian

EPITHELIOMA

Some Cases Treated by Dr. E. Mather, Published in Ellingwood's, The Apeutist of Chicago.

Mr. P., farmer, age 55 years, had a sealy patch on the side of the nose, extending onto the cheek, lasting over five years. It was very slowly increasing, with finally a tendency to bleed, and of a cartilaginous feeling, with greatly increased ulceration in the center. There was very little pain at first, but later this was more marked, with itching and burning. It increasrd until it was the size of a twenty-five-cent coin. He had tried a number of remedies, and had various medical treatments, also professional advice, but it kept on spreading.

For medical treatment I give potassium iodid., three times a day, attending carefully to the diet, giving very little meat. With a carbolic acid solution and soap, I washed it daily. I then used potassium and thuja for a dressing. I removed the scabs until it was ready for the healing and then kept on applying constantly an aqueous solution of potasium and thuia. After three months the patient was discharged cured.

Mr. C., a nurse, for three years had a sore on the cheek, for which he had used various remedies and treatment and advice. The sore kept on the increase all the time, with much burning and itching, with scabs and bleeding, it made a rapid growth. I placed this case on a wash of thuja and soap water, removing the scab once every three or six days. I then painted over the sore an iodide solution and gave potassium iodide internally. This case was discharged after two months.

In these cases of epithelioma I often use the therapeutics lamp, or electrotherapeutic, and in many cases the high frequency treatment.

The lesions to be treated should first be thoroughly cleaned in order to remove scabs or crusts, which would interfere with the process of treatment.

Where the lesions are being treated it is best to protect the surrounding tissues. In treating mucous membranes, or structures about the eye, there should be protection with gauze or absorbent cotton, which will prevent unnecessary pain. In working about the mouth care should be taken as well. It is advisable to remove the skin protector with great care about the mucous membrane and make the part very day.

In many cases I use a dusting powder, but care must be taken that the dusting powder is not to thickly applied because of the ever-ready tendency for suppuration to take place beneath it, which of course would interfere with the healing process.—Advt.

Reliable—Foley's Honey and Tarl Compound.

Just be sure that you buy Foley's Honey and Tar Compound. It is a reliable medicine for coughs, colds, croup, whooping cough, bronchial and grippe coughs; which are weakening to the system. It also gives prompt and definite results for hoarseness, tickling throat, and stuffy, wheezing breathing. For sale by all druggists.—Adv.

RESOLUTIONS.

Whereas in the lamented death of Sister Olsen, we humbly recognize the hand of an Allwise Father in taking to himself one of our members, who in life was greatly respected, and whose loss we deeply deplore, Be it therefore

RESOLVED:—That by the death of ou beloved siste, Pride of Oakland Rebecca Lodge has lost a faithful member, who during her brief membership with us proved herself earnestly devoted to its interest.

RESOLVED:—That in Sister Olsen was manifest a life of honest purpose, and faithful endeavor to live up to her convictions of right and duty. She has gone to receive the reward that awaits all the faithful.

RESOLVED:—That a copy of these Resolutions be entered on the records of this Lodge, given to the Press, and presented to Brother Olsen.

NELLIE M. WOOD.
LILLIE MCQUATER,
ROSETTA WILKINSON.

CARD OF THANKS.

Mr. Frank Olsen wishes to thank the friends and neighbors for their sympathy and help during the sickness and death of his wife. Special thanks to the singers and for all the beautiful flowers.

E. R. Smith	$ 1 82

Carried.

Eldred moved Wood supported, Committee on Firemen's equippment be given authority to purchase same. Carried.

Eldred moved, Wood supported the following resolution to be adopted.

RESOLVED:—That on and after May 1, 1914 all persons making connections with the village water mains must do so at their own expence with the exceptions of taping the main, which will in all cases be made by the Village and a charge of $2.00 will be made for same and in all cases must be paid before the water is turned on, and that lead pipe is to be used from mains to shutoff box. Carried.

Wendorph moved Eldred supported that Petition as read, presented by W D. Clizbie be referred to Highway Committee. Carried.

Wood moved Smith supported that water works committee start proceedings at once for wells deeper than those at present, in order to secure a larger supply of water. Carried.

Wendorph moved Wood supported, that sewer on Frank Street be referred to Street Committee. Carried.

Wendorph moved Eldred supported that communication of J. Paddock be accepted and placed on file. Carried.

Eldred moved Wood supported that Council borrow one thousand dollars, ($1,000) from First State Savings Bank for four months.

Ayes, by roll call, Wood, Smith, Harris, Mallender, Wendorph and Eldred.

Nays:—None.

Wendorph moved Eldred supported that Street Committee purchase oil at once for steets. Carried.

Mallender moved Wendorph supported that D. U. R. be notified at once to live up to their franchise by not exceeding the speed limit of twelve miles per hour in the village of Birmingham, Michigan. Carried.

Wood moved, W. E. Smith supported that the Highland View Addition to Birmingham presented by Knox Popplelon be accepted.

Voted by Roll Call.

Ayes:—Wood, Smith, Harris, Wendorph, Eldred and Mallender.

Nays:—None.

Wendorph moved, Wood supported, that petition asking for a right of way over Grand Trunk tracks at foot of Oakland Avenue be placed in possession of Street Committee. Carried.

Wood moved Eldred supported that Residence Park Sub-divison plat, presented by Mr. Jones be accepted. Carried.

Wendorph moved Wood supported, application of J. F. Wooster be laid on the table until next meeting Tuesday April 21. Carried.

Wendorph offered the following Resolution:—

"RESOLVED that there be submitted to the duly qualified electors of the Village of Birmingham at a Special election to be hereafter called for that purpose, an amendment to that certain section of the charter of said Village, being Section 22 of Chapter 9 of Act No. 3 of the Public Acts or 1895, being also Section 2873 Compiled Laws or 1897, so that said section when amended shall read as follows:

Should any greater amount be required in any year for the purchase of grounds for erecting public buildings or for necessary corporate purposes, than can be raised by the council under the foregoing provisions of this Chapter, such amount may be raised by tax or loan, or partly by tax and partly by loan, if authorized by a two-thirds vote of the electors voting upon the question at an annual or special Village election. The amount that may be voted or raised in any year, under the provieions of this section, shall not exceed 5 percent of the assessed valuation of the assessed valuation of the property in the village, as shown by the last preceding tax roll made therein."

Moved by Eldred and seconded by Wood that said resolution be laid on the table until Tuesday the nineteenth day of May A. D. 1914, at 7:30 o'clock p. m. at which time said resolution be taken from the table and be considered and acted upon by the Village Council and that notice of said resolution and proposed amendment, together with a notice of the time and place when and where said resolution will be considered and acted upon by the Village Council be published in the Birmingham Eccentric, a newspaper published and circulating in said village once each week, from the date hereof until the said nineteeth day of May A. D. 1914.

Voted by Roll Call.

Ayes:—Wood, Eldred, Wendorph, Smith, Mallender and Harris.

Nays:—None.

Eldred moved Wood supported to adjourn. Carried.

T. B. SMITH. President. EARL A. MUDGE. Village Clerk

A Disagreeab le Person

Is the one who suffers the misery of a bad liver. He is cross, dull and faultfinding. In all such cases the liver, stomach and bowels need a thorough cleansing of bile and other impurities, and for this purpose there is nothing more effective than Dr. Herrick's Sugar-Coated Pills. They put the liver in order, tone up the stomachand purify the bowels. Price 25c. Sold by Cobb & Jennelle.—Adv.

Garrick Theatre.

"THE LIFE OF OUR SAVIOR"

The forthcoming week at the Garrick Theater, Detroit, will witness the first presentations in that city of Pathe Frere's wonderfully realistic natural color photo drama, "The Life of Our Savior," which was filmed in the Holy Land by a selected corps of experts in every branch of the cinematograph industry, under the personal supervision of men professionally familiar with the Scriptural text.

The wonderful success achieved by the "Go To Church" movement recently instituted throughout the country, prompted the management to decide upon the plan to exploit this great pictorial document of truth in the attractive form it is being presented and through the co-operation of the clergy in each city visited, it is hoped that a great and good work will be accomplished by this new method of appealing to mankind and spreading the Gospel in the Highways and the Byways.

A most interesting fact in conjunction with the production of "The Life of Our Savior," in the Holy Land, is that many of the supernumeraries who participated in the various scenes are direct lineral decendants of the various Tribes who actually took part in the original drama, as it was being unfolded in reality. The principal characters are essayed by well known French artists, whom Pathe Freres sent purposely to the Holy Land.

Strengthens Weak and Tired Women.

"I was under a great strain nursing a relative through three-months sickness," writes, Mrs. J. C. Van de Sande, of Kirkland, Illinois, and "Electric Bitters kept me from breaking down. I will never be without it." Do you feel tired and worn out? No appetite, and food won't digest? It isn't the spring weather. You need Electric Bitters. Start a month's treatmeat today; nothing better for stomach, liver and kidneys. The great spring tonic. Relief or money back. 50c and $1. Recommended by C. J. Shain and Cobb & Jennelle.—Adv.

NEW BOULEVARD

Part of the Fred Quarton Farm, Formeraly Known as the Watkins Farm, Sold.

Two very important real estates were made by Whitehead & Standard during the past week, which will mean much to Birmingham.

The two parcels referred to are 40 acres off the west side of the property owned by Fred Quarton and former y known as the Watkins Farm, lying just west of the village. This parcel has been already surveyed and made into parcels of from three to five acres so as to be sold in any desirable portion to suit prospective purchasers, several of whom have already shewn a decided inclination to buy, being attracted by the exceptionally favorable terms and prices. The location is most desirable and there is no reason that the property should not move at once.

The second tract was sold to Mr. C. D. Miller of Vassar, Mich., and comprises about twenty acres and lies directly east of the aforementioned parcels. Mr. Miller will not make any dispositions of his new purchase at present, other than to improve it in various and sundry ways.

Running north from Maple Avenue, between these two parcels a fine boulevard will be built at once to connect with a street running south from the Quarton Road in Bloomfield Hills to Maple Avenue. This will be named Bloomfield Boulevard and, connecting as it does with the beautiful drive through the Endicott Farms will make one of the loveliest features in the erviroments of the New Birmingham, which is destined to show the most rapid growth of any village in the state.

A new street will also be opened at once on the easterly side of Mr. Miller's property, connecting with the street on the south side of Maple in the new Inglewood Farms and running thence north to the extension of Oak Avenue which adjoins Birmingham Heights on the north boundary of the village.

Check Your April Cough.

Thawing frost and April rains chill you to the very marrow; you catch cold—head and lungs stuffed. You are feverish, cough continually and feel miserable. You need Dr. King's New Discovery. It soothes inflamed and irritated throat and lungs, stops cough, your head clears up, fever leaves, and you feel fine. J. T. Davis, of Stickney Corner, Maine, was cured of a dreadful cough after doctor's treatment and all other remedies failed. Relief or money back. Pleasant—children like it. Get a bottle today. 50c and $1. Recommended by C. J. Shain and Cobb & Jennelle.—Adv.

The Avenue.

"THE BANDIT KING"

The Permanent Players of the Avenue Theater, Detroit, will be seen in another of those thrilling plays of Western life, "The Bandit King," beginning with next Sunday's matinee.

The story of the play concerns one Joe Howard, who is accused of a crime committed by Daniel Shapleigh. He is pursued by the authorities until he is declared an outlaw. One of the scenes shows the pursuit of the detectives. Howard single handed deftly turns the tables upon his pursuers and leaves them all hand-cuffed together, while he escapes on his horse. The third act presents an animated scene on the Kansas City exposition grounds. The fourth act reveals a picture of the Vizilantes. Howard has secured evidence against Shapleigh of having instigated one of those old time frontier massacres that he might obtain the wealth of a relative.

Roy Walling will be seen in the role of Joe Howard. Russell Brandy will impersonate the unspeakable Shapleigh, while Miss Leona Stater will portray the waif, Edith Egerton.

"Uncle Tom's Cabin" is being greeted with packed houses at each performance.

The Right of Way

Has to be given Harvell's Condition Powder, which for over 70 years has been the standard of excellence. Why? Because the ingredients are so well balanced that every particle of the powder performs its proper share in the work of restoring healthy conditions in your stock. Put it in the feed and note how it will improve in flesh and spirits under its influence. Price 25c per package. Sold by Cobb & Jennelle.—Adv.

OUT-OF-ORDINARY EATABLES

Something different—either novel in kind, or much superior in quality.

Golden Bantam Corn is to other Canned Corn as much superior as cream to sour milk. Only **18c** the can.

Hunt's Supreme Black Raspberries. The acme of delicious flavor—no seeds.

Daggett's Tiny Peas. As a garnish, or as an extremely small and exquisitely tender Pea to serve, in Class AA. **25c** can.

Heinz's Baked Red Kidney Beans are delicious and appetizing, as a complete luncheon or as an entree. **10c** per can.

Hunt's Supreme Pineapple, like all Hunt's goods, brings its goodness to you to round out a dainty bill of fare in many delicious ways of serving. **25c** and **35c** the can. Also Fancy Pineapple Cubes, **10c** per can.

Red Poppy Salmon, full pound steak. Only **25c** the can, and incomparably good.

Blue Sea Tuna, a new fish food in the steak style, rapidly gaining friends as it becomes known. Has no superior in the salad line.

Relishes—Cross & Blackwell's Chow Chow, Gulden's Olive Chow, Heinz's Chow Chow Pickles and Sweet Pickles, Baker's Onion Relish, Nasco Onion Salt.

How Can One Man Milk 25 Cows Per Hour?

By Using the **Hinman Milker**

It reduces the cost of the operation very decidedly.

It is very economical, costing from $1.00 to $1.50 every year—and that is for rubber mouth-pieces and pump valves.

The average man can handle three machines to best advantage, milking three cows at a time and from 20 to 25 cows per hour, by using the extra pail.

There are exceptions to this, as we have some customers using five and six machines, milking from 40 to 50 cows.

If you are interested (and anyone having a cow to milk should be, and the more cows he has to milk the more he should be interested), should call on us for full information.

H. B. Parks & Co.

Imperial Brand Lime-Sulphur Solution

Is a clear amber liquid, made by boiling **pure sulphur** and specially-processed **calcium lime** together under proper equipment, by which calcium sulphides are formed in such degree as will destroy **sucking insects** and **fungus diseases,** at the same time stimulating the growth of the tree, plants and vines, to which it has been applied.

The manner in which **Imperial Brand Lime-Sulphur Solution** is prepared insures the user against its reverting or going to sediment, one of the vital characteristics in a solution of this kind.

We respectfully solicit your business by giving you an absolute guarantee of the purity and high standard of excellence that goes out with every package of the **Imperial Brand** goods. We now have a car of Lime-Sulphur Solution and will be glad to supply you.
