### "WHY WOMEN SIN"

"Why Women Sin" has been selected by the Permanent Players of the Avenue theater, Detroit, for the coming week, beginning with the Sunday matinee. This play will supersede the favorite production "At Cripple Creek" which is on the boards this week.  
"Why Women Sin" has its problem, its solution and its moral. The scenes of the play are laid in New York and they will give a faithful sidelight into the Gotham of today.  
The story of the play concerns Philip Pemberton, a young husband who is absorbed altogether too much in his business for the happiness of his young wife. There comes into the life of this young couple one Charles Wadsworth, an unscrupulous fellow, who plays upon the woman's vanity. She makes an appointment with Wadsworth and finds his true character.  
Miss Leona Stater will be the young wife, while Roy Walling will be cast for the role of Philip Pemberton, the young husband. Gladys Kierner will be Miss Pemberton, the child. Russell Brady will play Wadsworth, Milton Nobles, Jr., will have a dupe comedy part. Harry A. Starr will appear as Capt. Moorlake, a society detective.  
The whole force of the Permanent Players will appear in this bill.

Child Cross? Feverish? Sick? A cross, peevish, listless child, with colic, vomiting, pain, doesn't sleep, eats sometimes very little, then again ravenously; sour stomach; breath fetid; pains in stomach, with diarrhea; irritability while asleep, and at starts up with terrible screams, all suggest a worm killer—something that expels worms, and almost every child has them. Kickapoo Worm Killer is needed. Get a box today. Start at once. You won't have to cough, as Kickapoo Worm Killer is a cavity confession. Expel the worms, the cause of your child's trouble. 25c. Recommended by C. J. Shain and Cobb & Jennelle.—Adv.
