Peerless Brand Ice Cream

We have added the manufacture of high grade Ice Cream and Fruit Ices to our Dairy business and hereafter will be known as the Birmingham Creamery. You will find the Peerless Brand of Ice Cream has no equal for Purity and Flavor, made from pure cream and cane sugar, no substitutes used in the manufacture of any of our goods. We have been figuring on this venture for some time have spared neither money or time to get started right.

Give us your orders and we guarantee the same careful at-tention and service we have given you in connection with our Milk and Cream business; we also arranged to have ALL MILK and CREAM DELIVERED THIS SEASON BEFORE BREAKFAST. To perfect this system we ask you to kindly put out your bottles and tickets the evening before delivery. We ask your co-operation in this matter as it greatly helps us to give you the service you want

Truly that was a wise observation.

Because the in-between place is far preferable.

It is well for most of us that it is, for few of us can ever become wealthy—
While all of us may acquire the rainy-day amount.

It is just a question of starting to save up money that doesn't have to be spent. A question of starting soon and of keeping at it.

A few years of systematic saving will give a young man a wonderful lift up the ladder of success.
