Child Cross? Feverish? Sick?
A cross, feverish, listless child, with coated tongue, pale, doesn't sleep; eats sometimes very little, then again voraciously; sour stomach; breath fetid; pains in stomach, with diarrhoea; grinds teeth while asleep, and starts up with terror—all suggest a worm killer—something that expels worms, and almost every child has them. Kickapoo Worm Killer is needed. Get a box today. Start at once. You won't have to cough, as Kickapoo Worm Killer is a candy confection. Expels the worms, the cause of your child's trouble. 25c. Recommended by C. J. Shain and Cobb & Jennelle.—Adv.

A DISGUSTED CITIZEN.

TO THE EDITOR:—
It seems to me, that it is a burning shame to make a public dumping ground of the Village Park along on Willis Street. It certainly is a sight to behold, to see that conglomerate mass of cans and rubbish;—it is an outrage on common decency!
The Park Committee should have their attention called to it.
