Duntley

Combination Pneumatic Sweeper

Released from looms dragged by the street sweeper and lifting furniture and from the dangerous scattering of dirt and gravel that are caused by the use of the beam and the old fashioned carpet sweeper, can be effected by the use of the Duntley Combination Pneumatic Sweeper, which, although easily operated by hand, creates powerful suction force which draws out all the dirt and dust found in your rug and carpets and at the same time the revolving brush picks up all the pine, shavings, etc.

THE DUNTLEY SWEEPERS are made in three sizes and sold under a paid guarantee for one year. You may try a Duntley sweeper for only 10 days. Free of charge.

Somebody said long ago

That he wished to be neither rich nor poor. Truly that was a wise observation. Because the in-between place is far preferable. It is well for most of us that it is, for few of us can ever become wealthy—

Who all of us may acquire the rainy-day amount. It is just a question of starting to save up money that doesn't have to be spent.

A question of starting soon and of keeping at it. A few years of systematic saving will give a young man a wonderful life up the ladder of success. This Bank offers its savings branch as the safest and surest plan to accomplish the desired result.

Brought to Civilization. The latest addition to civilization is the Waiva tribe, people who lived in the unknown swamps of Lake Bangweulu, Central Africa. These swamps were quite impracticable, and the people would not formerly allow strangers to visit their haunts. Now they have vacated the swamps, and live on dry land. They have been taxed, and willingly pay their taxes, and even escort government officials to their old-time homes.

Could Not Escape Comparison. "Yes," said a sad-eyed man, "I married the widow of a man who was aged, and I thought that under the circumstances there would be no comparison in connection with the late lamented, but I was mistaken." "Did the praise him just the same?" rejoined his friend. "Well, not exactly," was the reply; "but we had not been married a week before she declared that my wife was too good for me."
