

DIVORCE YOURSELF From Dirt, Dust and Drudgery

by **Duntley**

Combination Pneumatic Sweeper

Release from tedious drudgery—from the straining and lifting heretofore and from the dangerous scattering of dust and grit which are raised by the use of the broom and the old-fashioned carpet sweeper, can be attained by the use of the Duntley Combination Pneumatic Sweeper, which, although easily operated by hand, creates powerful suction forces which draw out all the dirt and dust from your rug and carpet and at the same time the revolving brush picks up all lint, pins, threads, ravelings, etc.

THE DUNTLEY SWEEPERS are made in three sizes and hold under a rigid guarantee for one year. You may try a Duntley in your own home for 10 days Free of Charge.

Has Your Child Worms?

Most children do. A coated, furred tongue; green breath; stomach pain; itching under eyes; pale, yellow complexion; nervous, fretful, grinding of teeth; tossing in sleep, peculiar dreams—any one of these symptoms indicate worms. Get a box of Kickapoo Worm Killer at once. It kills the worms—the cause of your child's troubles. It is laxative and aids Nature to expel the worms. Supplied in candy form. Easy for children to take. That he wished to be neither rich nor poor. Truly that was a wise observation. Because the in-between place is far preferable. It is well for most of us that it is, for few of us can ever become wealthy—

While all of us may acquire the rainy-day amount. It is just a question of starting to save up money—that doesn't have to be spent.

A question of starting soon and of keeping at it. A few years of systematic saving will give a young man a wonderful lift up the ladder of success.

This Bank offers its savings branch at the safest and surest plan to accomplish the desired result.
