Forming

It is surprising how many good traits of cha-acter the possession of a bank account h a tendency to cultivate.

Decision and persistency are two of themy.

These develope more and more as a result of a desire to continue the saving habit once begun.

So that when we offer to take charge of a dollar for some one who is making a start on the journey of success, we are encouraging other good habits than thrift.

And thrift is highly commendable,

Will you talk to us when you are ready to make a start at saving?

4% if left three months The First National Bank

22222222222222222222222 The Difference

Between a dollar saved and a dollar spent is two dollars. Have you ever thought of it in that way?

The dollar saved gives you a feeling of satisfaction while the dollar spent gives a feeling of regret.

Your dollar deposited in this Bank will give o you the most satisfactory feeling, for besides being saved it will be earning you 4 per cent interest if left three months.

We accept deposits of \$1.00 up.
