STATE FAIR RULES

Governing School Exhibits at the 1915 Fair Have Been Made Known by Thos. M. Sattler, Supt.

Preliminary announcement has been made by Thomas M. Sattler, county commissioner of schools of Jackson county and superintendent of the educational department of the Michigan State Fair.

The provisions for the most part are the same as for those of other years. The entry list is open to all schools in the state of Michigan, whether public or private.

No articles can be entered for more than one premium and all drawings must be mounted on Bristol board 22 x 28 and fastened so the strips will be about 35 inches long.

When making entries, schools must remember they are to be made in triplicate, the original being sent to me at 501 Bowles Building, Detroit, Michigan, before August 1st.

TILLIE'S STORY

We Never Cared for the Panama Exposition Until After Reading This Letter.

San Francisco, Cal., April 8, 1915

My Dear Mr. Mitchell:

I have arrived in San Francisco, and I think it is a duty I owe my friends that I just drop you a line for the Eccentric and tell them what I think of the Exposition.

The English exhibits have been very attractive. The French exhibits are being installed. The Italian building is on the ground.

Mr. Sattler is working on several new features for the sessions of the school at the fair this year.

Mr. James B. Field, of Jackson, is to be assistant superintendent. He served in this capacity at the 1914 fair.

WOODWARD AVENUE has all "core up" and the work has hardly begun yet.
