\$100 Reward, \$100.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by rebuilding up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer \$100 for any case that it fails to cure. Send for list of testimonials. Address: J. C. GILBERT, Toledo, Ohio. Sold by all druggists, 75c. Take Hall's Family Pills for constipation.—Advertisement.

Garrick Theatre.

"Kitty MacKay"

One of the most joyous, sweet and lovable characters to be given to the stage during the recent period of dramatic upheaval was "Kitty MacKay," which play of the same title has been selected by Miss Bonstelle as the offering for her farewell week at the Garrick theatre, Detroit, which begins next Monday evening.

That adept at the sketching of character, Catherine Chisholm Cushing, is responsible for the story, which is laid principally with Scotch characters as the setting. The story has to do with Kitty MacKay, a lovable, mischievous girl, who through the peculiar turn of fate has been entrusted to and reared by a scheming Scotman and his wife. The money that was to pay for her support and education has gone to buy liquor for the imbibing Sandy McNab, and Mrs. McNab's kindness has been drive the girl to the hardest work and her reward for duty well performed a box on the ears.

Perhaps one of the most delicious comedy scenes ever put on the stage is Kitty's and Mag's discussion of the Bible and their ideas as to how it should be re-written. In this scene alone is given more entertainment than is usually gleaned from two and one-half hours of the average comedy or drama.

Miss Bonstelle will be seen as Kitty MacKay, while Eileen Wilson plays Mag Dundee. William Pringle has a splendid character part as the hard Scotman, Sandy McNab; also Robert Adams as McNab's enemy, Angus McGregor; Miss von Oettinger will be seen as Mrs. McNab.
