

BIRMINGHAM \$1.00 PER YEAR IN ADVANCE WHITEHEAD & MITCHELL, Publishers

Enterance second-class matter in the postoffice at Birmingham, Michigan.

LEGAL'S OF THE ECCRINTIC are requested when they see this notice...

Postoffice Directory Summer Schedule Office Standard Time.

LOOKS LIKE A WHITE CHRISTMAS Birmingham schools closed Thursday for the holidays.

Mr. Helen Corson was a recent guest of Ann Arbor friends.

Not less than three business changes in Birmingham during December.

Miss Mabel Lounsbury, of Ann Arbor, is visiting Miss May Thompson.

Mr. and Mrs. L. J. Oviatt, of Attics, are guests of Mr. and Mrs. R. Shad-bow.

Mr. Fannie Shain was a recent guest of Mrs. Norton McHenry at Gilbert Lake.

Prof. I. Beddow, of Mt. Pleasant, is the guest of his sister, Mrs. Alfred Johnston.

Mrs. C. Schiabe, of West Sand Lake, N. Y., is visiting her brother J. A. Woodard and family.

How many are using Mattie Baldwin's slogan, "Beautiful Birmingham, the Ride of Old Oakland?"

Preston Gray and Fred Hill, of Port Huron, spent Sunday with the former's parents, Mr. and Mrs. Adam Gray.

Guy G. Lyman has moved to town and resides on Harmon street. Mr. Lyman represents the Trojan Laundry Co.

Emory Hanna, of Chicago, is spending the holidays with his parents, Mr. and Mrs. William Hanna, of Southfield avenue.

Tomorrow (Saturday - Christmas) both meat markets and at least some of the groceries and other shops will be closed all day.

Mrs. Ernest Aheh entertained the Mystical Club Wednesday evening.

Mr. Elizabeth Randall just about now is giving her daughter, Mrs. Will Nichols, the son-in-law Will and the Charles, the happiest, grandest surprise they have ever had.

What is less enduring than the fame of the "foolhardy" man? The world moves so quickly these days, that it is only the truly great that can survive.

At the north line of Birmingham is a sign, "Fifteen miles an hour, please." And the street is barricaded with railroad ties!

Detroit--A suburb of Windsor, once known as the place where life was worth living. Now noted for the manufacture of automobiles and reckless speeding on the public streets.

In one year 116 persons were killed while trespassing on Michigan railroads, and legislation is sought to keep the pedestrians off railroad property.

If Detroit wishes to derive any benefit from that "Safty first" slogan, it will have to run its automobiles on central standard time.

Just now intercollegiate time is too slow to give you any daylight after the evening meal is disposed of. Let the fastidus push the clock ahead another notch and forget it.

The Free Press is finding fault with President Wilson's foreign policy, saying it is "words, nothing but words."

What would the Free Press have? Doesn't it know that corporal punishment isn't countenanced by any law in our schools? Johnny is just told he will mis his record if he doesn't mind; and if Johnny does not heed the warning he is just told again that he will mis that record.

SCHOOL NOTES HIGH SCHOOL The first meeting of the High School Literary Society was held in the main session room last Thursday evening.

Disolution of Co-Partnership. Notice is hereby given that the firm of Cobb & Jennelle, of Birmingham and Royal Oak, has dissolved partnership.

Overcrowded Menpidity. They say we won't be able to explain a lot of things in your record.

An Open Question. Uppoon--is your daughter improving in her piano playing?

Experimenting With Timber. The government of New South Wales is having timber grown in that state to learn if any will produce a satisfactory wood pulp for paper making.

Large Output of Diamonds. The mines having been opened in the North African mines in 1914, 2,000,000 were found from the South African mines in 1914.
