### A Merry Christmas

Indicative of the occasion, a "Merry Christmas" is upon the lips of every citizen of the city and country.

Christmas records each year the gathering of happy families and friends; the giving and receiving of remembrances that seal bonds of friendship and admiration.

The present Christmas will prove no exception, other than perhaps a greater manifestation of the altruistic spirit to bring happiness and good cheer to every home, both rich and poor.

Officers and Directors of the First State Savings Bank take this opportunity of extending greetings of the Season to patron, friend and stranger. A Merry Christmas to all.
