There is more catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constant failing to cure with local treatment pronounced it incurable. Science has proven catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer $100 for any case it fails to cure. Send for circulars and testimonials. Address: F. J. CHENEY & CO., Toledo, Ohio.

MAUD STEVENS CONCERT COMPANY

The fourth number of the lecture course given at the Baptist church, will be held next Tuesday evening, January 5. The attraction is the Maud Stevens Concert company. Miss Stevens is a wonderful impersonator of boys and girls. She does not simply imitate children, but enters right into the very thought and life of the boys and girls. Miss Welch is a gifted violinist and never fails to please her audiences. Miss Chamberlin, also a member of the company, adds great interest and novelty to the program by her whistling and bird warbling selections. The company has filled as high as 140 dates a year in addition to Chautauqua engagements and each year the demand for the Maud Stevens company is increasing.

In addition to the regular program in the evening, the company will give a children's program in the afternoon at 4 o'clock, as soon as the children can come from school. This afternoon program will be entirely different from the evening program, and those holding adult season tickets will be admitted without extra charge. For all children the admission will be 10c. General admission 25c for adults.

The general admission to the evening concert is 35c, but a special rate of 25c will be made to the High School and grade pupils.
