BABOO DRIVEN TO COMPLAIN

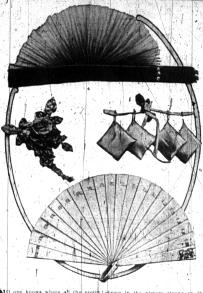

Serpents, baboon, tiers and other dangerous and disturbing creatures have not infrequently interfered with the workjof progress and librovement in indig. The distracted telegram of a baboo station master, asking for instructions, in the unpleasant, emergency of, "tiger dancling on platform," has long been a stock ancedore. He was certainly excusable for being rather upset in his mind, and, in his English. The recent pleas of a baboo office cierk addressed to the head of the firm whose son, a confirmed dog-lover, had been recently put in charges. e firm whose son, a connermed wos-wer, had been recently put in charge, ad less to justify its urgency—yet ere are many who will sympathize, puppy's presence does not conduc-mental concentration or spiritual
