Geo. H. MITCHELL, P. M.

Renwick McKinley is the proud owner of a new Ford.
"I don't like you because you said so much about the 'least things'."
Mrs. Deckard is filling her place in the M. E. choir as assistant leader very actively for all during the summer.
Miss Doris Crerar, all the way from Lansing, has been enjoying a grand good visit at the home of Wm. H. Hunt and family.
The open air service at Baldwin Park at six o'clock every Sunday evening is very interesting and a goodly attendance is always enjoyed.
Miss Beatrice James, of Port Henry, New York, is here to spend the summer with her aunt; Mrs. Minnie McClellan, of Maple avenue, ast.

A street seller of notions was on our streets last night with banjo songs, etc. Ask Fred Golden about his 18 pocket handkerchiefs for \$1.00, 11 pure Irish linen and a yard wide.
William Brown is now the happy owner of Bruce Steele's home and that excellent musician of "Billie's" rooming. Home, sweet home for the Brown family will hereafter be in Birmingham.
Masonic Lodge No. 44, F. and A. M., held a special meeting Thursday evening in the Masonic hall. After the regular business was held, the Royal Oak lodge was present as guests of honor.
Ever hear of Timothy Callahan, called Tim for short? Well, he cleaned and bleached his summer straw lid with algalin on the very rainy day, and the Kelly caught fire and burned up completely.
At the P. O. If you haven't paid that box rent by July 15, it is taken by the Department that you don't wish it any longer. There are still eleven names on the list who will take it if you don't want it. Please say at the window.
It is said that the most dense crowds in the world are to be found at the corner of State and Madison streets, Chicago. Well, Birmingham was just like that Saturday night. One little square was choked to a stand still by the immense crowd, and all were happy.
The M. E. young people know how to live. The third annual Gypsy camp fire supper held this day at Wing Lake. Motor trucks will carry the jolly bunch away at 6 p. m. Hot hamburger steak, coffee, etc., will be provided, and all were invited to go with the crowd.
By the generosity of Mr. Baehle, the theatre man, those who did not see the start of that wonderful thrilling story of mystery and romance, "The Master Key," saw it on Wednesday night of this week, as it was repeated by request of many faithful patrons who wished to see it. The Wednesday night before on account of the rain.
The amateurs are coming. Next week Monday, the modern Demosthenes, the real live wire, the genuine reader and impersonator from the wide of Concord Corner is expected to compete for the first prize for the amateur contest at the Temple next Monday night. Special police will be present to prevent any hostile demonstrations towards the Clero of Oakland county, Mons. Rendoc.
Miss Sarah Gly is home again from the Panama Exposition at St. Louis, where she saw the thermometer at 108 degrees at Needles, Arizona. She was gone over a month. Everything was beautiful, handsome and satisfactory during her entire trip, and on her return at the very start, she made the acquaintance of a Miss McPhee bound for Detroit, and these two ladies traveled most congenially all the way "HUM."

By orders from Washington, D. C., beginning August 1, Route No. 5, Car No. 1, Samuel H. Rogers will be transferred to some other office not yet announced. Routes 1, 2, 3, and 4 will be announced and patrons will be served from that date on in the expanded service, no doubt home will be from the Royal Oak, Farmington, Redford and Pontiac. Each carrier has his mileage increased from two to four miles.
We had a fine call and visit from J. B. McClure, the demurrage agent for that great and big system, the "Wabash." His home is Chicago, and with his family and two pretty little McClures he has been visiting relatives in this vicinity. "Jimmie" at one time lived with M. K. Taber and was a real "hot" water to reason and day, it is correctly. The road is being built, new methods, one of the features being a train of cars pulled on a narrow gauge track by a small locomotive. The materials are run out on a spur track to the approximate place where they are needed and then placed in a mixer, a huge machine which is standing in the highway. The mixed concrete is carried to the spot where it is wanted, in small, automatically dumped cars, which are also automatically reloaded of stone, sand and other materials.
Last week Wednesday afternoon and evening it rained and rained and rained. We felt sorry for the Temple theater man—nobody there, expenses on just the same, and nobody to see the pictures. That's what we thought! We went and found them all there! The house well filled. All the old faithfuls were out. Mr. and Mrs. Ed Lamb, Sam's C. Mills and his wife, A. W. Lamb and all of them. To say the show was extra good is a weak statement. It was really good. Mr. Baehle showed ten reels. All first class. "The Master Key" got its initial start, but was repeated this week Wednesday night by request of many who did not get into town on account of the flood. The Temple has a very warm spot in the hearts of all the movie fans.

Mark Leach has returned from a two week's visit in New York.
James Valentine is building a new house on his Southfield avenue property.
Mr. and Mrs. John Schram and infant daughter are visiting relatives in Laguer.
Mr. and Mrs. James Wooster and family are at Walled Lake for the summer.
Mr. and Mrs. Frank Ford and son left for California Monday, where they will spend the summer.
Mr. and Mrs. James Cowan, of Bates street, entertained Dr. and Mrs. Graham, of Detroit Sunday.
Misses Winifred Robinson and Blanche Greer are visiting Mr. and Mrs. Herbert Spencer, at Straite Lake, for a few days.
Mrs. James Renshaw and son Horton, who have been visiting in our streets, have returned to their home in Kansas City, Mo.
Mr. and Mrs. E. W. Smith and daughter Bettie, of Rome, New York, and Miss H. M. Phillips, of Chicago, are guests of Mr. and Mrs. E. L. Torrey.
Frank Buncher, brother of Mr. Helen Hulbert, of Southfield avenue, has "come back" and we are glad of it. His health is much improved and he is real fine in health, spirit and ambition.
House numbers will be changed. The city engineer will deliver every house the correct number. Every building must have a number before August 15, according to the ordinance.
Miss Susie Trowbridge is now snugly settled in her new home, the W. D. Clibbe house on Martin street, and it isn't the first time Birmingham has been blessed by Miss Susie making it her home.
Mr. and Mrs. J. A. Parsons, of Lansing, Mr. and Mrs. H. J. Taylor, Mr. and Mrs. T. D. Norton and Mrs. B. E. Norton and daughter Nellie, of Rochester, were guests at E. L. Torrey's during the past week.
Mrs. W. C. Harris and daughter, Miss Bettie, of Woodward avenue, are home again from a long visit to the far west. Master John elected to remain and will take a college life at Berkeley, California.
The old F. Hagerman store sold yesterday at auction, 29 feet frontage on Woodward avenue, for \$8,425.00. The store is in pretty fair shape and had the price been \$75 more it would have made the land value an even \$300 per foot.
T. P. Foote is running Route No. 3 in place of Aug. Skobowaki, who is off vacation. Since Foote's Brush auto kicked his eye out ("Foote's I") it is for sale cheap, at car rates and at a bargain price. Speak quick or you lose it.

Rumor has it that James F. Wooster is the real purchaser of the old F. Hagerman store, formerly occupied by H. G. Spencer & Co., now vacant. We hope that it is true. "Jim" will put it in business after giving it a very pretty "make up."
Talk about a promised happy land. Our village ought to be near its site. Our village taxes are \$2.39 per thousand dollars less than last year. This year's rate is \$10.01 and think what we have—and have coming. Everything in sight and lesser taxes. Can you best it?
Charles Piper, of Pontiac, who was indicted on July 6 charged with being intoxicated on a D. U. R. car and pleaded not guilty, and was placed under \$200 bond, changed his plea in Justice Campbell's court Monday and was fined \$25 and costs or 65 days in the Detroit house of correction. He paid and was discharged.
Deputy Sheriff Lorne Bird, of Pontiac, swore out warrants against five Detroit auto operators, Monday morning. Three had their hearing and pleaded guilty. George Malcomson paid \$25 fine and \$5.05 costs; John Floyd paid \$25 fine and \$4.90 costs; Frank Evans paid \$15 fine and \$3.45 costs; Fred Strong and Albert Wiegman, and two others did not appear Monday.
The roses in bloom make Birmingham beautiful. We invite you to just stroll down toward the Grand Truck railway and note the ramble roses growing up, around and covering the home of Mrs. J. M. Clement. Take it in the crimson ramblers on the east side and the pink and white ones on the south side. They are worth going to see. Other flowers are beautiful. Although dahlias and gladioli are in full bloom, the roses and nasturtiums all in full bloom the glorious Fourth.

The midsummer meeting of the Michigan State Horticultural Society will be Thursday, August 12, 1915, in conjunction with the 1915 and 1916, in conjunction with the Michigan State Horticultural Society and the Grand Saugatuck Horticultural Society, at the farm of Mr. Amos Tucker, three miles west of Bravo on the Pere Marquette railway. Mr. Tucker's farm is in the heart of the Michigan original fruit belt, about midway between Fenville and South Haven. Mr. Tucker is one of the most advanced fruit growers in the state and his farm is an ideal place for this meeting.
We are informed by a member of the Council that an inspector will examine the barnyards, privies, and cesspools overflows about July 16 to 23 to see if the sanitation ordinances passed by the council have been followed. These ordinances have all been published within the last sixty days and should be in mind of all citizens who expect to obey the law. Possibly two or three violations may have to be brought into court, but really, it does not seem as if any one would be compelled to go to court. Besides, there is the maximum weed ordinance that goes into effect next Monday.
