Special Notice

To the

Car Owners of Birmingham and Vicinity

We have engaged an experienced man to Wash and Polish Cars. So don't let the mud and dust stay on your car any longer than necessary. It only ruins the paint and the whole car in general. Every Automobile should at least be washed once a week. Bring your car in any day and give us a trial. The cost is small.

We believe in Service first.

Over 400 satisfied customers now.

When you feel that you are in need of relief, let us try our **Flexall Orderlies**. Do not believe you see a physician, because no other home remedy will hold only for ten to fifteen days.

Charles J. Shain.

Bug bites Alarmed Them.

It appears that bugs have only been known to England since 1849. A. D., when the poor Hugenots and other Protestants were accused of carrying them across the channel. One day two court ladies discovered marks upon their fair persons and were panic-stricken. Such marks could only be plague spots, thought they?
