The Ford is lighter than any other car of its The Ford is lighter, than any other car of its size and power. Yet stronger, sturdier, longer lasting, 'Vanadium, that's why. Vanadium is the hardest, strongest, toughest steel made. It is the only steel-that is hard and tough at the same time. It is the highest-priced steel that is used in automobile construction. Yet the Ford is very low in price. Its quality, terms, price and small cost of operation and upkeep, less than two cents a mile, have made it the universal necessity in town and country. Buyers will share in profits if we sell at real. 300,000 new Ford cars between August, 1914,

300,000 new Ford cars between August, 1914, and August, 1915. Runabouts, \$440; Touring Car, \$490; Town Car, \$690; Coupelet, \$750; Sedan, \$975, f. o. b. De-

troit, fully equipped.

On display and sale at Oakland Garage,

The Truth at Last.
As there seems to have arisen some discussion, as to where Moses was when the light went out, if might be well to inform inquirers that he was in debt-rather heavily—to the electric light company.—Judge.

Most Children Have Worms,

Most Children Nave Werms, And neither parent nor child know tyst it explains why your child is nert-children have thousands of worms. Think of how dangerous this is to your child. Don't take any risk. Get an original 25c, box of Kickspoo Worth. Worm Killer will positively kill and remove the worms. Relievés constipation, regulates atomach and bowels. Your child will grow and learn to much better. Get a box toslay. Adv.
