Head and Leg Work More Important Than Green Goggles and False Whiskers.

DISGUISES LITTLE USED

In a Given Case a Member of Uncle Sam's "Black Cabinet" is Selected Who Naturally is a Party Man to Assume.

Washington.—Head work and leg work are more important than green goggles and false whiskers in the disguise of a spy...

As a rule disguises are not used by those in the service. If the matter in hand, for instance, requires the collection of intelligence...

How They Communicate. One of the most mysterious phases of the secret service work concerns the maintenance of communication between the central office in Washington and its field operatives.

Secret service men are at work all the time. When there is no particular case on hand they are getting a line on the habits, habits and byways of certain people who seem to be living without apparent effort.

As a Rule Disguises Are Not Used. Of escape from the district are guarded each and every step is shadowed until the game narrows down to the real culprit or culprit.

Some years ago there was a notable case of a "Nigger" who kept the secret service men of the country busy chasing him.
