The Ford is lighter than any other car of its size and power. Light weight means economy. Economy in gasoline consumption. Economy in tire expense. Economy in repair bills—less than 2 cents a mile for operation and upkeep. Yet with all its light weight the Ford is the strongest, sturdiest car that is built. It is the longest-lasting car. Vanadium steel is responsible for that. "Anti-fatigue" steel, scientists call it—the strongest, toughest steel put into automobile construction.

Buyers will share in profits if we sell at retail 300,000 new Ford cars between August, 1914, and August, 1915.

Runabouts, \$440; Touring Car, \$490; Town Car, \$690; Coupelet, \$750; Sedan, \$975; f. o. b. Detroit, fully equipped.

On display and sale at **Oakland Garage**, 128 Woodward Avenue.

Catarth Cannot Be Cured

Without application of that which cannot reach the seat of the disease. Catarth is a blood or constitutional disease, and in order to cure it you must take internal remedies. Hall's Catarth Cure is taken internally, and acts directly upon the blood and mucous surfaces. Hall's Catarth Cure is not a cathartic. It was prescribed by one of the best physicians in this country for years and is a regular prescription. It is composed of the best tonic known, combined with the best blood purifiers, acting directly on the mucous surfaces. The perfect combination of the two ingredients is what produces such wonderful results in curing Catarth. Send for testimonials, free.

A large amount of badly needed work is being done on one of our most neglected cross roads; viz., the one leading from Gro. Bingham's by Stanley Case's and the Elm farm. The writer had a night ride over that road the first evening he spent in Franklin and he will never forget the bumps.

The Ladies' Aid met June 17 with Mr. and Mrs. Charles Knowles at Gilbert Lake. Over 100 present. A fine crowd, fine supper, fine time all around. Mr. and Mrs. Knowles know how to entertain. Mrs. Mattie Evans was elected treasurer to fill vacancy caused by the resignation of Mrs. E. D. Trebilcock.

We love Franklin. To stand on one of the beautiful hills and look across our beautiful little valley, how an emerald cup, a gem from God's hand, is a feast to the eyes. The people are kind and courteous, but out of 20 in habited houses only six are regular church attendants! At this prospecting time holds good for more than 100 miles in any direction. Four years ago our beautiful church was closed for lack of interest in holy things. For nearly three years now a faithful few have kept the church open by their attendance. In this they have been aided by the financial assistance of many who never attend divine service. Friends, we thank you for your money. It shows your willingness to help, your generosity, that friends we want you to pay more. We want to give you the "good hand" on the Lord's Day, in his house. Come, bring the children to Sunday school and divine service. We want to give you value received. We want to cheer of your presence. You need us! We need you!

PURDY-BELL

One of the prettiest weddings of the season was solemnized on Wednesday, June 9, at 3:30 p. m., at the residence of Mr. and Mrs. Geo. D. Todd, 1021 Kabla Farm, Birmingham, when Miss M. Malvina Purdy, daughter of Mr. and Mrs. Wm. J. Purdy, was united to Mr. J. Renwick Bell, Dr. J. R. J. Milligan, of Pontiac, officiating.

The bride was beautifully gowned in white embroidered net over mesaline and carried white roses. She was accompanied by Miss Elizabeth Henning as maid of honor; who was also gowned in white and carried pink roses. Mr. Norman Bell, brother of the groom, was best man. The brothers and sisters of the contracting parties acted as groomsmen and bridesmaids. The ceremony was performed before a bank of ferns in front of the fireplace. Mrs. John Hanna, aunt of the groom, played the wedding march. Miss Margaret Bell acted as ring bearer and Miss Lillian Spier as flower girl.

Mr. and Mrs. Todd's beautiful home was artistically decorated with white ribbons, ferns and flowers in pink and white.

A dainty two course luncheon was served to 100 guests, after the ceremony. The happy couple went to their new home at 229 S. Woodward, Birmingham. The newly wedded couple are very popular both in Southfield and Birmingham, the bride being a graduate of the Birmingham High School and for many years one of Oakland county's most successful teachers. The groom is of the Jones National School of Auctioneering. They both have a host of friends, who wish them much happiness and a bright pathway through life. They were the recipients of many beautiful and costly gifts.
