Have Resumed Delivery

Owing to the tremendous increase of our business in Detroit and Highland Park having completely swamped our delivery service this Spring, we have had orders by the D. U. R., but as we have added to our delivery we will now resume house delivery in Birmingham and vicinity.

NOTICE

If you do not want more than one piece of Furniture, a Stove or a Rug, it will pay you to come here, for we can prove to you that we sell, quality considered, for less than any other dealer in the U. S. We are receiving carload after carload of high-grade Furniture, bought so that in connection with our low selling expense we can pass it on to you at about what the ordinary dealer has to pay.

The Way We Sell Goods

We have distributed about 100 Refrigerators already this Spring and the season is hardly open. We are placing the last of the second solid carload of Steel and Brass Beds bought this Spring. We sold a solid carload of Cotton-Felt Mattresses in between five and six weeks. Two solid carloads of Davenport sets were placed customers in about seven weeks.

One Piece or An Outfit

While our sales are mostly in the hundreds of dollars—complete outfits, etc.—yet we appreciate your patronage for only one article.
