WHO

Can Legally Vote on Local Option

The Constitution of the State of Michigan provides that a voter must have resided in the State SIX MONTHS and in the township or ward continuously TWENTY DAYS next preceding the election.

Penalty

The law provides that any person voting illegally shall be guilty of a misdemeanor and may be punished by a fine not exceeding $500.00, or by imprisonment in the county jail not exceeding one year, or both, in the discretion of the Court.

March 16, 1915, was the last day a voter could move into a township or ward, and vote April 5, 1915.

Every voting place in Oakland county will be closely checked on April 5, and any person found trying to cast an illegal ballot will be prosecuted to the full extent of the law.

Ford — THE UNIVERSAL CAR

The Ford is lighter than any other car of its size and power. Yet stronger, sturdier, longer lasting. Vanadium steel, that's why. Vanadium is the hardest, strongest, toughest steel made. It is the only steel that is hard and tough at the same time. It is the highest-priced steel that is used in automobile construction. Yet the Ford is very low in price. Its quality, terms, price and small cost of upkeep, less than two cents a mile, have made it the universal necessity in town and country.

Buyers will share in profits if we sell at retail 300,000 new Ford cars between August, 1914, and August, 1915.

Runabouts, $440; Touring Car, $490; Town Car, $690; Coupelet, $750; Sedan, $950 f. o. b. Detroit with all equipment.
