Workmen's Assn.

A workman dyes it to himself and his family to take care of himself.

His labor is his only asset in business. When injured, he is for the time being left destitute and his children deprived of an education and forced to seek employment before their maturity. This philosophy is found in a bulletin of the Chicago bureau of safety.

When You Serve Fruit.

Lemon Juice sprinkled over fruit ahead for dessert or used in a salad will prevent fat turning dark.

Winning the Multitude's Ear.

But again things that are hard, impracticable; paint the Duty as ever armed with thunder; make blood run before altar, and you will win the multitude's ear, and everybody will say of you: "He must be right or he would not so boldly proclaim things so marvelous."—Exchange.
