Mr. and Mrs. Dundas and daughter, Miss Gertrude, of Detroit, were Sunday guests of J. J. Levy, at Clawson. J. J. Levy has repurchased the 18-acre farm, which he sold, last fall, to Frank Patterson. The members of the Epworth League will hold their regular monthly meeting at the church on Tuesday, April 18, when the annual election of officers will take place. W. H. Lamb has had his Ford touring car, which he purchased last summer, reconstructed into a commercial car and has purchased another new car for his family's pleasure. A Mothers' Club was recently formed here by the teachers of the school and it was found that so many of the fathers were interested, the members decided to reorganize and form a "Parents' Club," the first meeting for the new organization being held last Thursday evening at the school. After the discussion, a pleasing program was given and fifteen new members added, which now totals thirty. Though the fee is small, the money will aid material comforts for the students and their teachers.

**Watch Child's Cough.**  
Colds, running of nose, continued irritation of the mucous membrane if not promptly treated, may catch later. Don't take the chances—do something for your child. Children will not take every medicine but they will take Dr. King's New Discovery and without briding or teasing. It's a sweet pleasant tar syrup and so effective. Just laxative enough to eliminate the waste poisons. Almost the first dose helps. Always prepared, no mixing or fussing. Just ask your druggist for Dr. King's New Discovery. It will safeguard your child against serious ailments resulting from colds.—Adv.

## "Help First National Bank?"

When can I get a statement of my account, including today's deposits?"

**"Your statement will be ready in five minutes"**

This is a real up-to-the-minute Bank service—giving the customer, the thing he needs at the time he needs it. This is the kind of service we are now prepared to give to you.

We have just installed a Burroughs Book-keeping Machine which handles our accounting work and keeps a statement of each customer's account ready all the time, with entries made right up to date.

Any time you want a statement of your balance in a hurry, it is ready for you. Instead of leaving your pass book for two or three days at the last of the month in order to have it balanced, you get a neatly-printed statement each month, showing all checks and deposits and a balance you know is right. Every checking account will receive these regular monthly statements, together with the cancelled vouchers.

The Burroughs will also post our ledgers, giving us neatly-kept and accurate accounts, and providing an absolute and automatic proof of the accuracy of every entry in our statements and ledgers. We are sure that the improvement in our service made possible by the machine book-keeping method will meet with your approval, and that you will appreciate the convenience and protection against error afforded by the mechanically-figured statements.
