NEAR THE NEW CAR LINE

As above map illustrates, CAMPBELL HEIGHTS is located just off Woodward Avenue on the 9 1-2-mile Road. The proposed new car line passes near by. Everything is being done to make CAMPBELL HEIGHTS the pride of the North Woodward section. Logical restrictions, and striking improvements will make it a home-site without a peer. As an investment it offers you almost certain increases in value. There are a limited number of Lots in this Subdivision, so make your reservations at once.
