They Told Us to Go

And gave us less than three months to close out our large stock of merchandise. In order to realize 100 cents on the dollar we should have had from nine months to one year's time. Manufacturers refused to accept cancellations of our Spring and Summer orders. We must take the goods as we ordered them, as they were made espscially for us. We are obliged to take the loss and forced to sell. Our entire stock must go. We offer 20 per cent off on everything in our stores. Your purchase must amount to \$1 or more in order to save the 20 per cent discount. Our goods go for cash. More than two-thirds of the people in Birmingham and vicinity have come to us and told us not to go out of business. They realize we have been here for nearly a quarter of a century. We came here when Birmingham was only a small village, and remained here through the worst of it. Now the best is to come. We have taken our friends' advice and purchased the Erwin & Smith property, formerly owned by Volney Nixon, situated next to the D. U. R. Waiting Room. We will erect a two-story brick building as soon as we

can get the plans completed. Don't forget to save the 20c on a dollar. Visit our stores. Select anything you want amounting to \$1, and only pay us 80c. All \$1 Overalls and Jackets 80c. Finck's best Overalls and Jackets, \$1.25 value, for \$1. \$3.50 Shoes for \$2.80.
