More than One Million now in use 500,000 more are to be sold this year. No other motor car in the entire world has such a wonderful record for service. This year's lowered prices mean the same Ford car of quality and reliability for less money-that's all. Runabout, \$390; Touring Car, \$440; Coupelet, \$590; Town Car, \$640; Sedan, \$740, f. o. b. ### Chalmers

Over 100,000 people have crowded the Chalmers salesrooms all over the country in the last two months to see the new Six-30. They wanted to see how Chalmers quality could be built in a car selling at \$1:050. They found the single standard of quality which has always marked the Chalmers line. The result—a factory running night and day to fill orders for more cars.
