ORDER FOR PUBLICATION G State of Michigan, the Probate Court County of Oakland, At a session of said held at the Probate office, in the City of I in said, county, on the 27th day of Janu D. 1916. Present, Hon. Rieber P. Ro

Many a man is serving in a miss-fit position because he hesitates to start on a canvass for a new one.

¶A want ad will find the place you want and should have.

¶ It is needless to remind you that when the position hunts the man a better salary is inevitable.

When Earnquakes Corne.

That animals are seasitive to the approach of earthquakes is a fact frequently observed, and the more recent seisme troubles in various countries grie numerous examples of this Angular faculty which many animals spasses. For instance, in Japan horses set up an unaimal agitation denotes a seismic shock is near at the fact of the control America dogs and the control am
