The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is catarrh. The Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer \$100 for any case that it fails to cure. Send for list of testimonials. Address, F. J. Cheney & Co., Toledo, Ohio. ## INSURANCE MAN TELLS OF RELIEF

J. W. Cook, of Flint, has found Tonic to Be a Medicine of Merit.

J. W. Cook, of 411 Ninth Street, Flint, well known in that city as a high-class insurance man, indorses Tonic, the premier preparation, as a medicine of exceptional merit. Mr. Cook made the following statement yesterday: "Some months ago my whole system became disordered, and my stomach became deranged, and I was unable to eat anything without having a severe attack of indigestion. I was so debilitated that I was unable to go to work, and I was soothed with indigestion. I went to the table from habit, and just tried various remedies, and without being helped, and seemed to be getting worse all the time. One day I read in the papers of Tonic, and bought a bottle. Within a few days I found that my condition was entirely changed. My appetite returned and my indigestion was cured. I was able to go to work again and I can eat anything without suffering. I can say that Tonic is a remedy possessing real merit, and Tonic may be obtained here at the store of James W. Cobb.—Adv.
