Garrick Theatre.

"Beverly's Balance." Paul Keeler's delightful and breezy American comedy, "Beverly's Balance," will be next week's offering at the Garrick Theatre, by the Bonstelle Company. The first stock production of this play, which served Miss Margaret Anglin as a starring vehicle, was by Miss Bonstelle in Buffalo, this spring. It is spontaneous comedy, interlarded with lovely Beverly Dwyndelle is a southern girl who has come to New York City to earn her own living, accompanied by her aristocratic aunt, Penny by penny the family exchequer is diminished until Beverly finds herself forced to swallow her southern pride and seek assistance from a friend, a young lawyer, who she reports to her friends in the south, success and prosperity. Beverly goes to this lawyer's office to plead for help, and at first is surprised at his refusal to help her; suddenly it dawns that he is in the same position.

Miss Anglin made much of Beverly—a personality of rare charm, combining brilliant wit and with sweet womanliness, and Miss Bonstelle should be particularly suited in the role. The author has made the most of his comedy twist—the idea of hiring a co-respondent in order that the wife may secure a divorce upon agreeable grounds. The play is characterized by its speed, snappy lines and humorous situations, and should prove one of the most gaily refreshing comedies of the present Bonstelle season.

Gave the Baby Rest. Children just cannot get covered at night, and that is one way they take good. Foley's Honey and Tar is a reliable family cough medicine that contains no opiates or harmful ingredients. Mrs. William Leonard, Fortville, Pennsylvania, writes: "My baby had a very bad cough. The first dose gave her relief. Sold every where.—Adv.

SYMPATHETIC PEOPLE GET REWARD. The Bromleys, Donovans, and Halsteads are campaigning hard, taking their cutting in the northern part of Michigan. They have talents and also are having a mighty good time. Listen as to how: There is a settlement of Indiana not far from their camp. One of the Indiana children was very sick and eventually died. The result was that the Bromley-Halstead party happened to learn of the situation and out of curiosity went over and called on the mourning family, and finally turned to true womanly fashion, and "contributed" the necessities of the family, and attended the funeral.

The day after the funeral three of the Buck Indiana came to the Donovan Bromley Halstead Camp and pointing to their fishing poles said: "Come, we show you." The result was that they had a string of beautiful trout, numbered from 20 to 25. The children and adults and Indians never "hooked" a "Woke" before.

WHAT BLOOMFIELD IS DOING.

It will be of interest to all who have contributed so generously towards Bloomfield's share in the Oakland County Celebration to learn that a sufficient sum has been raised for the township float, which will be in the historic pageant on August 24. The souvenir committee, under the able leadership of Mrs. N. T. Shaw, has done most excellent work and all of the souvenirs are disposed of, and no more will be offered by this committee for sale.

The sum realized from the sale of souvenirs, the proceeds from the entertainment given in November, together with a substantial sum contributed by the township float, will enable the committee to build and equip a float which will be most unique in every respect, and which we hope will surpass all others in historic beauty.

The float committee consists of the following: N. E. Daines, Chairman; Mrs. T. B. Smith, Mrs. Seymour Adams, Mrs. Robert Parritt, Mrs. W. J. McKinney, Mrs. W. D. Clizbe, Miss Susan Trowbridge, Rev. W. C. McKnight, Rev. F. F. Kraft, and Ralph Corwell.

The committee held meetings during Tuesday and a meeting was held recently when very definite plans were made for the float, the building of which will be started August 1.

The literary club and the fraternal societies will all be appropriately represented in different ways during the celebration.

It has been most gratifying to have all of the committees undertake the plans with enthusiasm, and with faith in the success of this great Home-Coming, the first of the kind in the state.

SARAH E. SLY, Chairman Bloomfield Central Com. MITCHEN SHOWER. Mrs. Joseph Brooks was a charming hostess at a children's shower given last Thursday in honor of her niece, Miss Randall, whose marriage to Richard Hartzack will take place about August 1.

The bride-elect was the recipient of many beautiful gifts. The afternoon was delightfully spent in viewing a mock wedding, Miss Mac Randall being the bride, Mrs. Bessie Niles, the groom; Miss Lillian Roediger, the minister; Miss Blanche Brooks, flower girl; and Miss Gladys Brooks, maid of honor, all of whom were present at the wedding.

Many delightful functions are being planned for the bride-to-be. Miss Matilda will entertain about 25 girls on Friday, and Miss Day, the bridesmaid, will entertain at a shower on Friday at her home in Pontiac.

Should Sloan's Liniment Go Along?

Of course it should! For after a strenuous day, when your muscles have been exercised to the limit, the application of Sloan's Liniment will take the soreness and stiffness away and give you fine shape for the morning. You should also use it for a sudden attack of toothache, stiff neck, backache, stings, bites, and the many accidents that are incidental to a vacation. "We would as soon leave our baggage at home as a vacation camp without Sloan's Liniment," writes a vacationist. "We use it for everything, from cramps to toothache." Put a tin in your bag, be prepared, and have no regrets.—Adv.

FROM THE PEOPLE.

Editor Eccentric: I note your item in last week's issue regarding the hardship on "the best people of Detroit" caused by impeding laws of Michigan.

Since when has the Legislature of Michigan passed laws that are not expected to be binding on ALL inhabitants of this state? True, the good people of Detroit do not feel obliged to obey Michigan laws—including the selling of booze, tax delinquency, speeding, fake time, etc. A reckless driver does not have to be "boasted" to be dangerous. Ask some of those who have taken the bumps, and recover, if you do not feel just as uncomfortable when hit by an auto as you do by "the best people," when said auto is driven by a "boasted individual."

And the latter many times thinks he is one of the best. All honor to Justices Campbell and Rose for placing all persons (drugs or sobor) on an equal footing. So had the law does not permit a judge jail sentence for speeders exceeding 5 miles per hour.

And then again, as regards the speed laws applying only to "boasted individuals." A Detroit Judge, presiding over one of "the best people," has ruled that drunkenness is an excuse for murder, when the individual is too drunk to understand. Let us have laws that apply to ALL and thus afford protection to ALL.

HIS BACKACHE GONE.

Just how those rheumatic, sore muscles, aching joints or rheumatic pains may be in sometimes realized only when life insurance is refused on account of kidney trouble. Joseph G. Wolf, of Green Bay, Wisconsin, writes: "Foley Kidney Pills relieved me of a severe backache that had bothered me for several months." Take Foley Kidney Pills for weak, lame back, and weary, sleepless nights. Sold every where.—Adv.
