THIRTY-NINTH YEAR. NO. 1 0

BIRMINGHAM, OAKLAND COUNTY, MICHIGAN, FRIDAY, JULY 7 1916.

WHOLE NUMBER, 1984

BEER AND BOOZE

Mixed With Gasoline Play Hove on Woodward Avenue, Just South of Birmingham, Last Sunday.

Sunday last, accidents were numerous all over, but near Birmingham, we had two bad ones.

J. P. Laukhoff, 35 years old, newly appointed agent of the Ford Motor Company Branch at Seattle, Washington, was instantly killed, Sunday night, at 7:45 o'clock, in a collision between two automobiles opposite the Vinetta Subdivision.

Mrs. Laukhoff, and Mr. and Mrs. Charles E. Webb, 125 Louise Avenue, Highland Park, were severely injured and were removed to Harper Hospital. Mrs. Laukhoff was later reported dead.

The Laukhoffs were guests of the Webb family and were returning from a short ride to Birmingham, from Detroit. Two men were in the other car who were responsible for the tragedy. They were Virgil Elliott, aged 32, and William Hoag, aged 35, both of Detroit.

Both men were arrested charged with manslaughter. They stayed in Pontiac jail Sunday night. These men have influential friends who were promptly on hand with offering of security for bail, but did not succeed. Both machines were Ford and both ditched and badly wrecked.

Elliott said he was driving his car at a speed of "about 15 miles an hour." He said he did not know how fast the machine driven by the other party was going, and concerning the accident itself, all he would say was: "I know nothing about it, the first I knew was when the crash came."

Deputy McDonald said that two cases of beer and a quart of whisky were taken from the car in which Elliott and Hoag rode and that these are now being held in Royal Oak. Hoag says he is a foreman and "efficiency man" in the Dodge Brothers plant.

Her Left Side Hurt.
Mrs. Laura Bell, Flatcar tr., Missisippi, writes: "Last April I got in bad health; my left side hurt all the time. I had symptoms of Bright's disease. I took Foley Kidney Pills and feel all right now." They quickly relieve backache, rheumatism, aches and pains. Bladder troubles, too, are corrected by this remedy. Sold everywhere.—Adv.

WEDDING BELLS.

Thursday, of lastweek, in the afternoon at four o'clock, Miss Hattie C. White and Mr. Harry A. Hodge were united in marriage at the home of the bride's parents, Mr. and Mrs. Harvey White, Sr., on Williams Street. Rev. H. H. Blocher was the officiating clergyman. Miss White was attended by Miss Sarah McCord, and Mr. Hodge's brother, Albert, accompanied him. Miss Marion Hodge acted as flower girl and Master William White as ring bearer.

The bride was gown in white Georgette crepe and carried white roses and lilies of the valley and her hair wore pink ermine and carried pink roses. The bridal party took their places to the strains of Mendelssohn's wedding march, with Miss Clara Starr at the piano.

A buffet lunch was served following the wedding ceremony, and the same evening the young couple left for Buffalo for a boat trip.

Miss White has been a book-keeper at J. F. Codling & Co.'s store and the Birmingham young man who claims her as his wife is to be congratulated, for she is a beautiful young woman in character as well as in comeliness. May they enjoy a long and happy life together.

Give The Baby Rest.
Children just cannot keep covered at night, and that is one way they take cold. Foley's Honey and Tar is a reliable family cough medicine that contains no opiates or harmful ingredients. BIG PREMIUMS

State Fair Manager Dickinson States That Premiums Will be Much Larger at 1916 Fair.

G. W. Dickinson, General Manager of the Michigan State Fair announces that the premiums to be awarded the exhibitors in the Draft Horse (breeding classes) at the Fair, which will be held at Detroit, September 4-13, will be 25 per cent larger than awarded last fall. As a result, \$2,500 in these classes will total, nearly \$2,000. In addition the Michigan exhibitors who are prize winners will be given additional awards equal to 25 per cent of the original premiums. As a result, Michigan exhibitors whose Draft Horses are awarded prizes will receive 50 per cent more in cash than they were awarded last fall. Mr. Dickinson also announces that there will be classes for Mules at the 1916 Fair, and \$25 in cash premiums will be awarded. There will also be classes for Mulefoot Hogs with suitable premiums.

"We are receiving inquiries from stockbreeders residing in all sections of Michigan, as well as nearby states, and believe that our live stock exhibits at the 1916 Fair will be larger than ever before," asserted Mr. Dickinson.

"We have completed arrangements for the judges in the Horse, Cattle, Swine, and Poultry Departments and can assure all prospective exhibitors that the judges will be men who are thoroughly competent and have reputations for giving fair decisions. We expect that because of the additional awards which will be given the exhibitors of prize winning stock that our annual Million Dollar Live Stock Parade in front of the Grand Stand next fall will be larger and contain better animals than have ever paraded before our patrons."

His Backache Gone.
Just how dangerous a backache, sore muscles, aching joints or rheumatic pains are is sometimes realized only when life insurance is refused on account of kidney trouble. Joseph G. Wolf, of Green Bay, Wisconsin, writes: "Foley Kidney Pills relieved me of a severe backache that had bothered me for many months. I can now walk and weigh, sleepless nights. Sold everywhere.—Adv."

OBITUARY.
James Harvey Carter was born in Cook County, Illinois, July 30, 1849, and died in Birmingham, June 27, 1916, at the age of 75 years, 10 months, and 27 days.

His parents were Edward and Nancy Carter, who settled in Illinois in an early day. He was married to Abbie Kneeland, in Detroit, October 4, 1882, with whom he lived in happy wedlock for 34 years, until the sudden summons came to him, June 27.

He leaves to mourn, his wife, one son, Howard, of Detroit; and one daughter, Mrs. Grace Eldred, and a brother, Willie Carter, of this place.

The deceased was an industrious, hard-working citizen, and was remarkably well preserved for his age. He possessed a sympathetic and charitable spirit, ready to part with the last he had to help a friend in need. He was a kind and considerate husband and father. The son and daughter testify that they never knew father to give them an unkind word. In early manhood he made a public confession of Christ and united with the church, never giving up his religious faith, and the day of his death, had great respect for the Sabbath, and for the religious faith of the members of his home.

Garrick Theatre.

"On Trial."
Miss Bonstelle will offer the first drama of the present season next week at the Garrick Theatre, when she will present Elmer Reizenstein's sensational melodramatic success, "On Trial."

This play created a sensation at the time of its production, owing to the novelty of the handling of the scenes and story.

The story opens with a prologue, showing the court room on the first day of the trial for murder. Then the story is reversed, representing the various incidents that led up to the crime and the crime itself. Thirteen years is thus pictured on the stage. The scene is transferred from the court room to the library of Gerald Trask, June 24, 1913, and thence back to the court room, thence again to the sitting room in the home of Robert Strickland, June 24, 1913, and again in the court room.

The following scene carries us back 13 years to a room in a hotel on Long Island and thence various scenes in the court room follow.

The play is even more graphic than a motion picture for as each witness is brought on the stand the scene reverts to the locale of the testimony he is to give.

Not only have we a complete panorama of the action of the play but opportunity to hear the spoken word.

Acid formation—decomposition of food particles—should be prevented. Cleanse the teeth with Nyl's Nuydent's Tooth Paste—it goes into the crevices of the teeth, dissolves the particles and prevents fermentation—decidedly anti-septic. James W. Cobb.—Adv.

Should Sloan's Liniment Go Along?
Of course it should. For after a strenuous day when your muscles have been exercised to the limit, an application of Sloan's Liniment will take the soreness and stiffness away and put you in fine shape for the morning. You should also use it for a sudden attack of toothache, stiff neck, backache, stings, bites and the many accidents that are incidental to a vacation. We would as soon leave our baggage as go on a vacation or camp out without Sloan's Liniment. It saves a vacationist the trouble of carrying anything from cramps to toothache. Put a bottle in your bag, be prepared, and have no regrets.—James W. Cobb.—Adv.
