### TO RLD CHILD OF WORMS.

Don't scold the fretful, nervous child. Often it's due to worms. Get rid of them by giving one-half of one teaspoon Kickapoo Worm Killer, a reliable worm candy. Give only plain nourishing food, lots of outdoor exercise and put to bed early. Stay awake and continue giving Kickapoo Worm Lozenges, they will positively remove the worms. 25c at drugists.

### OPPORTUNITY

At one time "Young Men, go West," was a common slogan. Then conditions were slightly reversed and the "South" seemed to mean opportunity. In recent years, and even now, we hear of opportunity in the purchase of Northern farm lands.

In the meantime men have gone "East" and found opportunity and success. As a matter of fact, every State, county, township, village and city ward affords opportunities.

Among the many opportunities about you is the opportunity to receive a 4 per cent interest on your savings, at the First State Savings Bank.
