New Castle, Ind.—From the time I was eleven years old until I was twenty I suffered each month so I had to be in bed. I had headaches such as such pains I would cramp double every month...

When you want special advice write to Lydia E. Pinkham Medicine Co. (confidential), Lynn, Mass. Your letter will be opened, read and answered with care and held in strict confidence.

When Housework Drags... Keeping house is hard enough when well. The woman who has a bad back, blue, nervous spells, and dizzy headaches has had a lot for the family tasks never let up.

A Michigan Case... Mrs. Anna Wright, 412 Vermont Ave., Detroit, Mich., says: "I had intense pains in my back and kidneys and the kidney secretions were full of sediment."

For Emergencies... When you have a bilious attack, or when you feel illness coming on—practically move the bowels, start the liver working and put your entire digestive system in good shape with a dose of two of the time-tested BEECHAM'S PINK PILLS.

Should Be at Hand... ABSORBINE... Reduces Strained, Puffy Ankles, Lymphatic, Full Bell, Swelling, Stomach, and allays pain. Stops Sores, Cuts, Bruises, Boils, and Burns.

HOME GROUNDS BEAUTIFUL... By BETTY PAKE... Look out for dahlias, gladiolus and other ranking plants that are likely to be blown down by the wind and stake them.

When there's a drought... Use the hoe more, the hoe less. A dust mulch is a better aid in dry weather than the artificial shower.

EDGING PLANTS... Plants for edging should be low growing. There are many effective plants that add beauty to the rest of the bed.

BRUGMANSIA... Brugmansia is a tender greenhouse shrub and it started out in the spring must be potted before frost.

PLANT IN LONG ROWS... By planting everything in long rows across the entire length of the garden, planting all the things that require whole seasons to mature on one side, all the second crop vegetables will be in a compact plot on the other side of the garden.

Common labor is scarce in Saginaw... Factories and farmers need help. The Michigan Sugar Company with its six plants in this section has asked the labor market of east and west, and contractors have had the best of it.
