An easily constructed cooler which is economical and efficient is here il-lustrated. In some glaces these con-er are regularly manufactured, but any control of the control of the con-trol of the con

They may be of any size, but a good ordinary dimension would be 18 by 38 by 48 inches, with the water box in addition on toy. The frame could be imadelby i by 3 strips covered with buriap and fitted inside with three or more shelves, these shelves serving to stripe the frame, assisting the rop and bottom, which should also be of inch stuff. The next thing is the water box, the lides being to arrange some

# Health for Sick Women

For Forty Years Lydia E. Pinkham's Vegetable Compound Has Been Woman's Most Reliable Medicine -Here is More Proof.

To women who are suffering from some form of woman's special ills, and have a constant fear of breaking down, the three following letters ought to bring hope:

## Testimony from Oklahoma.

Lawton, Okla.— "When I began to take Lydin R. Pinkham's Vegetable Compound I seemed to be good for nothing. I three seemed to be good for nothing. I three seems and had headaches much of the time and was irregular. I doo is degan before my little child was born and it did me a wonderful amount of Vegetable Compound for alling women because it has done so much for me."—Mrs. A. I. McCARLAND, 600 Have St., Lawton, Chila.

From a Grateful Massachusetts Woman.
