### Postoffice Directory

Summer Schedule Eastern Standard Time

ney Orders issued to a s of the world, when possible GEO. H. MITCHELL, P. M.

Hurry up summer, Feyere waiting.
Early Ohio Seed Potaloes, Reper
peck, Miner Queery, Co.—Adv.,
This is another backward spring, so
much so, that many farmers are beginning to worry.
A donation from Gebrge Mitchell to
Scott & Rousseau—a broom—for which
they were very grateful. Let the good
work go on.

Se abs. Hurry up summer, we are waiting,

work go en.

See that you have your box ready for the city carriers at once. To delay is dangerous to the service and bids for its withdrawal. A word to the wise is sufficient.

Mrs. Stephen C. Hill, of Troy, passed away very suddenly at her horde, last Tuesday morning. Fuseral services will be held from the bouse at 1 p. m.. Friday, with burial in Union Cemetery.

Miss Emeline M. Mitchell's pupils will give a recital at the home of Mrs. H. G. Fleid, at Residence Park, Saturday, May 6. She is assisted in a musical way by the Misses Helen Shaw and Cathering Trumbull.

Dr. Albert Simonson, wife, and sof were calling on old friends recently and the Doctor spent inost of his time trying to find old land marks that he used to know 40 years ago. Dr. Simonson comes from Calumet. where he his been a most successful physician, ever since he graduated from 1 Ann Arbor medical school. He is a son of Alvin D. Simonson, one of the early settlers in this vicinity and owning what is now table to be the settle of the trying that is now table to be the settle of the trying that is now table to be the settle of the trying that is now table to be the settle of the trying that is now table to be the settle of the trying that is now table to be the settle of the trying that is now table to be the settle of the trying that is now table to the trying that the trying that the trying the trying that the trying t

selep but rees tons a bright son. The following selection cames to up from Ed C. McBride. Besides this wonderful record for perfection, is also says this is the first seamed to up from Ed C. McBride. Besides this wonderful record for perfection, is also says this is the first seamed. Say, it must be great to be rich and perfect record has been made. Say, it must be great to be rich and of South. These persons in St. Peterscurg, who have often spaken about the weather really was. In them weather and the season just benefit the weather fally was. In the same of the winter the present season first peterscurg, who have often spaken about a benefit to be fact that the present season first peterscurg, who have often apoken about a benefit to be fact that the present season first peterscurg, who have often apoken about a benefit to be fact that the present season first peterscurg, who have often apoken about a benefit to be fact that the present season first peterscurg, who have not been a day when the work has not been a day when the work has failed to ability.
