

It is good to know that your automo-bile is a staunch, sturdy, dependable help-mate-not a treacherous, weakling that will by down when the real work begins.

Lustro-Finish and see how you can brighten things up about the house, Mr. Householder. It's a real wonder-work-er in renewing old furniture, floors, etc. Stains and varnishes at one application.

Few of us have the need or desire for This can is a thorough red-every a racing car.

a racing car.

We are quite content to let the "other tellow" take his chances at 70 miles an hour white we spin along comfortably and safely with the speedometer needle regiments 25 miles for work the speedometer needle regiments 25 miles for work white way in and day.

speedometer needle register or 70.

But every man wants Power in Fig. 2 automobile—and party-larly they min who tours.
It is good to sit behind if motor which responds eagerly—browardly—to the slightest touch of the throid.
It is good to know that volumed my find the slightest touch of the throid.
