Our Temple Theatre Manager, E. R. Keef, is doing wonders in getting the best films for his show house. On Thanksgiving, he presents Annette Kellerman, in "Neptune's Daughter." You can see this wonderful production that cost over \$100,000 to produce for 25c, right here at home, at the Temple. Celebrate the day, Thanksgiving, by going to this wonderful film-play, that made all the world sit up and take notice.

Speaking of election, President Wilson, and the likes, Robert A. Johnston, brother of Daniel M. Johnston, our popular dentist, says: "The people of the United States never will know nor appreciate what Wilson did for the country in stopping the railroad strikers. The act was great and saved millions of dollars to this country. I am a Republican, always voted the ticket straight, but this time, look off my hat to the President, and support him with all my heart, all my strength, and my vote." This coming from a man who is the manager of a large gang of men in the large locomotive works in the world at Louisville, Kentucky. He is in the employ of L. & N. Ry. and knows where he speaks. After a week or two of visiting with his relatives, in this vicinity, Mr. Johnston returned to his southern home.

Of all the artists who have ever appeared on the stage, there is scarcely one so well known as Annette Kellerman, the most wonderful swimmer and diver in the world. Miss Kellerman has been called "The Diving Venus" and "The Perfect Woman," but the most beautiful production that was ever produced that "Neptune's Daughter," did her dimmers realize that she could do other things as well as her aquatic feats. "Neptune's Daughter" was produced last spring, and has since been the talk of the country. It has been freshly an opera house, breaking all records for Michigan, and the praise it received at the hands of the Detroit newspapers, to say nothing of the 100,000 people who saw the performance, has never been equaled. It was freshly finished an opera house, breaking all records for Michigan, and the praise it received at the hands of the Detroit newspapers, to say nothing of the 100,000 people who saw the performance, has never been equaled. "Neptune's Daughter" has been required for Thanksgiving at the Temple Theatre, here.

THE NEW EDISON HAS THE BEST ARTISTS

There are more Grand Opera Artists now actively singing in Grand Opera who sing for the New Edison than there are for any other make. They are also pronounced by musical experts of the highest authority to be also superior.

SHOW YOUR APPRECIATION

If you were going to make a purchase, would you not rather make it of one who is the most deserving—of one who has done as much or more for humanity than probably any other man? and that man whom you will purchase of, if you buy an Edison, is

THOMAS A. EDISON

I, for one—and I think all New Edison dealers feel the same—take joy and pleasure in the pleasing of

THE NEW EDISON

In homes that we could not in the sale of anything else.

Not only do we feel pleasure from the thought that we are aiding in the joy of living, but we have the satisfaction of feeling that we are aiding in conveying and showing to

THOMAS A. EDISON

One of the greatest benefactors of mankind, a tribute of love and affection from the American people. If you could see him here as Edison dealers did in our convention last June in New York City, the kindly old man, bowed under his many years of labor for mankind, you would feel a desire to do what little you could for him, as we all did, and would feel like buying one of his pets, if for no other reason than to show him your appreciation. This is not a plea for charity, but is simply an attempt to get you to consider the New Edison before you decide, and then let the decision be made strictly on its merits. We do not desire the best retail Edison dealers in the State. We will give you the best of service.

We will be glad to have you call at our Ford Market Booths or Royal Oak Store to hear Mr. Edison's wonderful new invention. We sell them on very easy terms of payment, will deliver to your door, and will give you the best of service.
