DELICIOUS COFFEE

Hot, fragrant, exhilerating, with all its native aroma preserved, is yours when you use an

Flectric Coffee Percolator

The percolation method brings out all the qualities that have made coffee the favorite breakfast beverage you avoid the bitter taste so often found in coffee boiled over a fire. Coffee is quickly prepared in an Electric Percolator; will begin to percolate in half a minute after the current is on.

Come in and look at the various styles.
