

They let you know you've been smoking—and yet they're MILD

In other words, Chesterfield Cigarettes are MILD—and yet they satisfy. This is something totally new to cigarettes. It goes further than pleasing your taste—satisfy does for your smoking what a juicy slice of hot roast beef does for your appetite.

Chesterfields satisfy—they let you know you've been smoking.

But they're MILD, too—Chesterfields are!

If you want this new cigarette delight (satisfy, yet mild) you've got to get Chesterfields, because no cigarette maker can copy the Chesterfield blend. This blend is an entirely new combination of tobaccos and the biggest discovery in cigarette blending in 20 years.

POLITICAL ANNOUNCEMENT.

Upon the advice of friends I offer myself for re-election. Beginning in 1872, I have always voted the Republican Presidential ticket, except in 1912.

The work of two counties was voluminous and hard. The first 10 years, the salary was \$1,000 or less than now, with all hotel bills at Lapeer, and railroad fare paid out of it.

It seems but fair to allow me to enjoy for a few years the lighter work of one county, and the living at home.

In my conduct of the work of this Court, I know of nothing to conceal—nothing requiring explanation—nothing for which to apologize. Mistake may sometimes occur in the hurry of such a Circuit, but here they have been below the average of other Circuits. No one can truthfully charge dishonesty nor unfairness to client or lawyer, and I have been always on the job.

I pride myself upon having saved the tax-payers many thousands of dollars in the aggregate by energy and efficiency in the conduct of jury trials. Ask the members of the bar as to the above, or the jurors. I will gladly abide by their verdict.
