The Birmingham Grocery. How much longer will you suffer the excruciations of the food gaug? Do you know that war-ridden Europe is purchasing many necessities at less than we pay? But then, over there, taxation is a monopoly of governments and not a profligate privilege.

As Section 5 reads, he seems to be right. It may be that by following the Illinois case of Palmer vs. The City of Seattle, Section 5 and that which has been finally declared void because not equitable, that is, as a piece of legislation not based upon fairness and equity, but such a ruling, if made should come from the Supreme Court.

Bad Colds from Little Sneezes Grow. Many colds that hang on all winter start with a sneeze, a sniffle, a sore throat or a light chest. You don't know the symptoms of colds, and you know prompt treatment will break them up.
