FRANKLIN

We think good times are coming for our picturesque and quiet village. Last Monday, a large party of supposed capitalists came in a large touring car and stopped just on the hill just north of our happy hamlet. The occupants, five in number, began their investigations by rambling around the old Van Every mill pond. We advise our neighbors to bid themselves quiet, and not be in a great hurry to sell their beautiful home sites. Just think of the prices of building sites among the Blue-n-Hills, and we, who live in Franklin and vicinity, know that there is not a spot in old Oakland capable of being made as beautiful as the hamlet of Franklin.

The Annual Rally Day exercises of the Sunday School department and the R. Y. P. U. of the Baptist Church will be held on this coming Sunday. Young and old are cordially invited to be present.

PUT YOUR PIPES IN ORDER

Before you actually need them. Now is the time for preparedness in the plumbing way. Have us go over your steam or hot-water pipes at once, so when the need of them comes, you'll not have to sit and shiver while you wait for the over-rushed plumber.
