SEVEN PRISONERS RELEASED

Action Relieves Tension That Had Resulted From Latest Incident in Fight Between Cavalry Branches

Camp, Paris, Gray, Va.—Although five of the seven prisoners who were caught by a detail of cavalry on the night of August 17th, 1918, are being held by the Germans, the release of the remaining two has relieved the tension which had resulted from the attack on Parkhurst, which was regarded as the culmination of the fight between the two branches of the infantry and cavalry.

The prisoners, who were held at the camp, were released and the charges against them dropped.

Private Frank Thompson, who was captured by the Germans, is being held by them. He is being held in a cell and is being treated as a prisoner of war.
