One of the very largest funerals in our midst for many a year was the one last week of the youth, Edna Crawford, who was shot by an unknown assailant. The great number of friends in attendance must have been consoling to the family as well as the sympathetic words of their pastor, Rev. C. W. Waldoff, who conducted the services. The remains were laid to rest in Greenwood Cemetery.

CARD OF THANKS.
We wish to thank all the friends who remembered us with words of kindness, sympathy, and beautiful flowers at the time of our great loss and bereavement.
MR. and MRS. JOHN CRAWFORD,
FLORENCE CRAWFORD,
MRS. ETHEL LOWES.

Garrick Theatre.
"Hobson's Choice."
"Hobson's Choice," the clever and satirical Harold Brighouse comedy, which was produced at the Princess Theatre in New York last November by the Messrs. Shubert, and which achieved such immediate and lasting success that it was moved to the Comedy where it continues to play month after month, will be brought to the Garrick Theatre, Detroit, next Monday evening, where it will be presented throughout the week with the usual matinees on Wednesday and Saturday.
Magpie Hobson is the oldest of three daughters with a blustering old English bootmaker for a father. Like Bunty, Maggie dominates the household and is in love with William, one of her father's workmen, and she gives him to understand they are to be married. Although he is engaged to another Maggie carries her point. The Messrs. Shubert promise an excellent cast and production.
Nature's Jewels.
What a world we live in! Where are the jeweler's shops? There is nothing handsomer than a snowflake and it comes down from the sky. If you have seen the snowflake and know that if the world examines his skill and his snowflake and develop that he understands down. We think that the one beautiful colors and that they are simply how they are put together, but in their truth they are the product of enthusiasm; the children of an ecstasy, finished with the artist's utmost skill—Theresa.

With the Original
Have you noticed that the New Edison's re-creation of famous Grand Opera Singers' voices is given in direct comparison with the singer's own voice? They sing with the New Edison's re-creation of their own voices, and you cannot distinguish the re-creation from the original. We don't tell you that it is good that it is done somewhere else—but it was done right here in Detroit before audiences last winter. You may have heard of talking-machine makers' music 'ests; have you? I will tell you what I have, though, read of an agent of the leading talking-machine do, and while it was very laughable, yet this great Talking Machine Company published it in the home magazine as a wonderful feat. He said a country church-choir singer, out in a town in Iowa or somewhere, sang with one of their most-advertised Grand Opera Singers' voices on their talking machine, and one could not tell their voices apart! A wonderful achievement! A country church singer's voice sounds as well as this talking-machine's reproduction of the famous Grand Opera Singer's voice does. Now think how much superior the New Edison's re-creation of such Grand Opera Singers as Zenetello, Grand Opera, Middleton, Chalmers, Gours, Bouc, Derrien, Althouse, Matzenauer, Rapold, Bone, Case, Delna, Verlet, Henrieh, and others, must sound compared with a talking machine's efficient mechanical reproduction of its artists.

The New Edison Diamond Disc
Is not a talking machine, but it is the laboratory product from the famous Thomas A. Edison's laboratory. Indestructible Records—no needles to change. D. K. Smith will be glad for a few days to put an Edison in your home on a free trial. He is also making very special terms of payment just now.
