Patriotism and Business

Every good citizenat this time should do his share toward strengthening the Federal Reserve Banking System which our Government has created with its billion dollars of resources to stand back of its member Banks and all their depositors.

You can contribute directly to the strength of this system, and at the same time secure its protection by depositing your money with us since part of every dollar you deposit with us goes directly into the new system, where it is always ready for you when wainted.

This is a suggestion for prompt action.
