Everyone knows what talking-machine music is like, and know-ing it, many sepule do not want a talking machine with its thin, strident imitation of the original music

music.

But all do not know of the New Edison's re-creation of music, exactly like theloriginal, so that its re-creation cannot be told from the living voice, when tried side

by side.

If a talking machine was put
in your home, it would sound its If a talking machine was put in your home, it would sornd its best at first, but you would probably gradually grow tired of it.

With the New Edison, the longer you have it the more it will work its way into your heart, until its possession will seem to be a necessity. For this reason we will gladly place one in your home for a few days, on a hasolitely free trial, and will also lean you, some records to use. We positively will not send a salesman to see you unless you to let us know whether you want to buy it or not. Chan anything be more fair?

To be without a New Edison you are not living your life con-plete, for all people need real
